### **REPORTS:**

#### *President/VP Report:*

- o Season Plan – Return to Hockey Update: Currently, the Government of Alberta has no Chief Medical Officer of Health (CMOH) orders that place any restrictions on sport programming. Therefore, Hockey Alberta is preparing for a 2021-22 hockey season with few to no COVID-related restrictions. At this time, there are no limits on the number of participants on the ice, use of dressing rooms, or access for spectators (unless other requirements are in place through the municipality or facility). Tournaments can be hosted, and Hockey Alberta is planning for the return of provincial championships in March after a two-year hiatus. Hockey Alberta is excited to be planning for the 2021-22 season. But we also want to remind everyone of the ongoing need to be safe and vigilant. Throughout the past 18 months, everyone involved with our sport has focused on the health and safety of our participants. The health and safety of our participants remains paramount. Finally, we ask everyone to remember that current plans could change at any moment (as we

learned last year and even last week with the Government announcement on August 13), based on new decisions or requirements implemented by the Government of Alberta. As changes occur, and as hockey activities are impacted, Hockey Alberta will continue to work with the hockey community and our government partners to adjust and to ensure the safety of our participants is foremost as our sport returns for the 2021-22 season and beyond.

- o Tryouts are super early this year and will be completed before mid sept.
- o First practices start September 14, 2021
- o Evaluation weekend is September 25 weekend.
- o Instead of a power skating program Adam is proposing some sort of weekend hockey camps. So if anyone has any contacts or leads please let Adam know.
- o Teams
  - U7 – 13 players so far. Will most likely be 1 team.
  - U9 – 26 players so far. Working on creating drills for coaches. Need to have a parent meeting to determine if U9 want to schedule their own games. We are looking to make 2 even teams in U9. Currently would be two teams of 13. We need comments/thoughts/suggestions etc.
  - U11 – 25 players so far. Enough players for 2 teams. Evaluations will be held.
  - U13 – 23/1 tryouts 20/0. Need to make 2 teams as 1 large team makes tiering really difficult at this age. Evaluations will be held.
  - U15- 15/3 tryouts 10/0 Tryouts will be completed early.
  - U18- 17/2 tryouts 8/2 Tryouts will be completed early.

*Registrar's Report:*

- o Criminal record checks- Morinville RCMP office still not letting people into building. If you are due for a criminal record check you will need to call the detachment and they will email you a form to fill out. Please make sure that you send the CR letter with your name on it as volunteer. I am unsure what Parkland RCMP is doing this year.
- o Krissy or Chris Moore will contact the coaches who need a new one in the next few weeks.
- o RIS/Safety courses- All have been extended an extra year. Only new players will need to do the course for this season. All RIS parent/activity leader courses need to be complete before stepping on the ice.
- o Hockey Alberta return to hockey- Memo sent out last week to all the associations. There will be no limitations on participants on the ice, use of dressing rooms or # of spectators. (Facilities can make rules if they choose). Tournaments and provincials are on for the season.

They will still follow AHS guidelines and let all associations know if there are changes.
