### REPORTS:

President/VP Report:

- o *Covid Update* – Currently no new restrictions put on hockey at this moment in time. In December we received an official AHS complaint sent in from someone in Calahoo. AHS investigated and advised there will be consequences if mandates are not followed. We need to be more diligent in following the capacity limits, mask wearing etc. We will be asking the managers to remind their teams and people in attendance to follow the mandates and follow the rules. If there is any contact or a parent refusing to comply, please contact the executive @ [president@crknights.ca](mailto:president@crknights.ca) or Adam at (780)920-3598.
- o The exec has had discussions with the Ag boards and have decided on the following process:
  - Managers will be asked to ensure people are wearing masks. If someone refuses the manager will be required to follow up with the Executive.
  - *Consequence #1:* Written warning.
  - *Consequence # 2:* Taken to disciplinary committee where the person/family will either be suspended from the game/arena for

a week. OR depending on the severity of the offence suspending registration.

- o WSAS advised if another team received an AHS complaint then that team will be banned from that arena for the remainder of the season. That team will then be required to find their own ice and rebook their own games.
  - o We are doing our best to avoid getting shut down.
- Registrar's Report: Nothing to report at this time.  
Treasurer Report: Unavailable for this meeting. Statements of balances owing will be sent out this month.

U9-2 – Helped out the other U9 team over Christmas at their tournament. Had a lot of fun. January 29 Oilking's tournament. And another tournament in February. We have had a few games where we only play a couple players as the game is pretty one sided. But other games are fairly even.

U13 – 1 – Took 2 weeks off at Christmas. Games are going well. Have had a short bench due to injuries and life events. They come out strong and get really tired. But off to a tourney this weekend in Vermillion.

U13 – 2 – No one available for update

U15 – Everything is going well. Little bit of a losing streak. Should pull out of it soon. Had a hitting clinic pre-Christmas and liked it. It was recommended for next year.
