Scott is reviewing the boundaries for Rocky Minor Hockey.

U13 had an incident related to rule 11.2. Scott along with 2 indigenous liaisons spoke to all U13 players and coaches. No names were brought forward to the coaches or managers.

If a player has been called a racial slur or a derogatory name, the incident needs to be reported to a coach or manager as soon as it happens. If an incident happens on the ice surface the coach will then relay to the Referee. If the official hears players saying anything, the player could be suspended up to 10 days.

Adrial Bigchild was in attendance at the board meeting. His wishes are to have these incidents dealt with properly. Scott and Adrial have set a meeting to be held on October 24, 2023 at 6pm with the U13 division.

Jeff Blish has moved to U11 Director. Miranda Gazdag will be the contact for U9 Director.

Scott makes a motion for Rocky Minor Hockey to cover the TeamSnap fee. Directors or Managers need to send receipt to Toni. The receipt must have TeamSnap on it.
