

CDLA Tiering Format 2020

- 6U (Mini Tyke) and 8U (Tyke) will not be tiered but will maintain parity on teams within each club.
- 12U (Peewee), 14U (Bantam) and 16U (Midget) will be tiered into levels of A, B, and C to allow experienced players improved competition and less experienced players a better entry-level playing experience.
- Female Lacrosse will tier some age groups (determined each season) into a competitive and developmental division. Regardless of the division, all teams in the same division will be 'parity' teams.

MT= Merged Teams i.e. Hoks
CT- Club Teams

When 2 or more teams placed in same division they must be parity.

Notes and Conditions:

- Axemen, Hornets and Sabrecats, borders are closed.
- There are no grandfathered releases as all clubs offer the highest tier available through the club or merged teams.
- Clubs forwarding requests that do not conform to the above guidelines will need CDLA board approval.
- This decision is impacted by club history or new player overloads. A club may place additional teams in the higher divisions.
- Multiple teams in any one division within a club must be parity teams defined by preseason evaluations or exhibition games.
- If a team is deemed stacked or dominant in league play by the CDLA Board of Directors they can disqualify them from playoffs
