# Culture

Silvertip culture focuses on life lessons through sport  
Development of athletic and personal skills  
Relationship building  
Competition and fun

Keeping young women in sport and giving back to the game that gave to them

Built on the coaching philosophy of Respect, Effort, Enthusiasm

- Respect all players as athletes as people and as contributors to the team
- Bring the highest level of effort I can to the game. I will be prepared for every, practice, game and team event
- Bring enthusiasm to the growth, development and planning for the team
