## **PROGRAM OPERATIONS & EXPECTATIONS FOR MINOR SPORTS**

Starting in the 2015 - 16 season, the Executive of Sangudo Minor Sports Association will be working hard to ensure that all parents, coaches and players are aware of the SMSA program including expectations for participation at all levels. This will help guide both coaches, executives and parents in their efforts to make minor sports a very positive and enjoyable experience for all.

SMSA believes that good coaching is necessary for our youth to enjoy their sport experience and to learn and develop their skills in a fun environment. The following statements reflect SMSA's commitment to ensuring quality coaching and a good safe and fun experience for all youth involved in our programs.

### **Player Registration**

SMSA conducts a pre-registration each year in March for baseball and June for hockey. A mass registration takes place before June 30th each year. Each year the Executive of SMSA will identify a "mass registration" date and communicate that to the community. This is an important date as it gives the Executive as well as the Hamlet of Sangudo a clear idea of anticipated numbers of players, teams, and ice requirements. Registration forms are available via our web site <http://www.sangudominorsports.com/>, school newsletters or at the Alberta Treasury Branch in Sangudo.

The Executive of SMSA reserves the right to refuse an application for registration should the applicant not fulfill the requirements as outlined below, or if a member is not in good standing with the association.

## **Fees & Deadlines**

All registration fees may be paid according to the following options:

- A non refundable minimum payment of \$50 due at time of registration.
- Payment in full at registration time
- Balance on December 1st or make arrangements for a payment plan with the Board of Directors of SMSA.

The Executive of SMSA determines the appropriate fees each year. The registration fee will be indicated on the registration forms. All fees must be paid no later than December 1st of the current season. If fees are unpaid by December 1<sup>st</sup>, any players involved will not be allowed to participate in practices or games until fees are paid in full, unless a payment plan has been approved by the Executive. A notice of unpaid fees will be sent no later than November 15<sup>th</sup> of the current hockey season indicating the amount outstanding and due.

Releases and Conditioning Camp forms will not be provided if the minimum payment has not been paid for the current season.

Anyone with unpaid fees is not entitled to discounts. Player registrations received after the announced deadline may be subject to additional fees as determined by the executive of SMSA.

## **NSF Cheques**

Upon receiving a NSF Notice, the Treasurer will contact the parent/guardian and determine when payment can be made. Applicable bank service charges will be charged to the member. The NSF fee is \$25.00 per occurrence. If payment is not received, the Treasurer will contact the coach/manager to advise them that the player is not eligible to participate in team activities, including practices and games, until payment is made. Postdated cheques will not be accepted unless pre-authorization is approved by the Board of Directors.

## **Refund Policy**

Refunds will generally not be provided unless there is no team for that child. Any refund provided for will be at the discretion of the Board of Directors.

Monies may be held back to cover the various applicable fees from provincial sport bodies, including insurance, ice time, referee costs, equipment and sweater costs.

2. To try out for a competitive team in another association when the players team in Sangudo has not provided for participation in provincial play.
3. The player wishes to be considered for movement from a recreational category to a competitive category.

**NOTE: For Hockey Alberta regulations and additional registration information please see the Appendix at the back of this document.**

## Fundraising

### General

Annual membership fees generally fund the association; however, other fundraising schemes play an integral part in providing operating funds to fulfill association commitments.

To raise additional operational dollars the association is involved in the following opportunities:

- Casino Fundraising, 50 – 50 Draws during regular season games and Raffles

### Sponsorships

The management of teams is not allowed to approach team sponsors for additional funds, goods or services. Should additional funds be deemed necessary, a member of the Executive may, with approval from the Executive approach the sponsor for additional funds!

### Kids Sport Youth Assistance Program

Is a children's charity dedicated to assisting children of families facing financial obstacles to participate in community sport programs. Applicants can receive up to \$300. The KidSport goal is to provide these children with the opportunity to achieve, physical, social, intellectual and moral development through participation in Sport. Applications are available from KidSport at [www.kidsportcanada.ca/alberta/whitecourt](http://www.kidsportcanada.ca/alberta/whitecourt) or Jumpstart Canadian Tire Program at [www.jumpstart.canadiantire.ca](http://www.jumpstart.canadiantire.ca).

## ICE ALLOTMENTS

This is an indication of the amount of ice time that is provided to each category and is paid for through registration fees. This is a guideline to assist our association in planning the financial needs of our association. The number of players and teams registering in Sangudo each year determines the quantity of ice time available.

### Practices & Games

TEAM	PRACTICE ICE	GAME ICE
Initiation	1 – 2 hours / week	1 – 1.5 hours / week
Novice	1 – 2 hours / week	1 – 1.5 hours / week
Atom	1 – 2 hours / week	1 game slot / week
Peewee	1 – 2 hours / week	1 game slot / week
Bantam	1 – 3 hours / week	1 game slot / week
Midget	1 – 3 hours / week	1 game slot / week
Female	1 – 3 hours / week	1 game slot / week

- If a team participates in Provincial Competition, SMSA will provide for ice time.

- When canceling ice bookings the coach or manager must contact the Arena Operating Ice Scheduler 48 hours in advance unless unforeseen circumstances like weather.

**Number of Tournaments**

The Board of Directors of the SMSA believes in the following principles when making decisions about how much hockey is adequate for minor hockey.

- That players should practice more than they play competitive games & competitions
- That minor hockey should be teaching individual skills and tactics before team skills
- The board encourages one home tournament and one away.

**Tournament Income Breakdown**

Profits include any monies that come in as part of the tournament, examples are, entry fees, 50/50, draw table income, silent auctions, cash donations, etc.

Expenses are any monies paid out as part of the tournament, examples are, referee fees, player prizes, player gift bags, Photocopying if needed, Bristol board, etc.

Total income less total expenses equals tournament profit A.

Deduct an amount per each day of tournament (decided upon by the board at beginning of year) from tournament profit A to offset the ice fees for the tournament equals tournament profit B.

Tournament profit B is then split 50/50 between the hockey team and the association. The Association uses this money to help pay for the regular season ice and expenses incurred.

The remaining 50 percent is the team’s money.

Example Breakdown: 2 day tournament

Income		Expenses	
7 teams @ \$500.00	\$3500.00	Referees	\$928.00
50/50	\$450.00	Player prizes	\$500.00
Draw table	\$1000.00	Draw table	\$500.00
Silent Auction	\$900.00	Incidentals	\$50.00
Cash donation	\$200.00		
Totals	\$6050.00		\$1978.00

$\$6050.00 - \$1978.00 = \$4072.00$  Tournament profit A

$\$4072.00 - \$1000.00$ ( based on \$500.00 per day x 2) = \$3072.00 Tournament profit B

$\$3072.00$  divided by 2 = \$1536.00 each for team and SMS

**PLAYER SELECTION PROCESS**

If Tiering is required in Sangudo Minor Sports the following will apply.

**Tiering**

Tiering in SMSA will start at the Atom category subject to the number of players registering each year. In most cases, each team will be given four (4) ice slots to conduct player evaluations to determine teams. All players must be given a fair opportunity to try out for the team, participating in a minimum of three ice sessions before he or she can be released from the evaluation process.

## **Player Acceleration & Movement**

The association reserves the right to move players, as required, to ensure teams can be formed. This may occur where players are moved downwards based on physical size and skill levels. The criteria by which someone may be considered for acceleration to a category above where he normally would play, is as follows:

- a. The youth must be initially registered in the proper category.
- b. A written request is submitted by the player's parents to the Executive of the association and approved by the same Executive.
- c. The youth must be evaluated and placed, according to skill level; in the top 25% of players on the team, they have requested a move up to.
- d. Advancement should not result in the elimination of a position held by a youth playing in the proper category.
- e. The advancement of the player will have no detrimental effects to either the team the player would normally play on or the team the player is seeking to advance to.
- f. Coaches from both teams must make a recommendation to the Executive of SMSA where the final decision will be made.
- g. The Executive of SMSA must approve all player movements.
- h. Player movement/acceleration will not be permitted beyond December 15<sup>th</sup> of each year.

## **TEAM & PLAYER AFFILIATIONS**

The Executive of the Sangudo Minor Sports Association will determine the affiliation process each year as required, and within Hockey Alberta rules & regulations. The following statements provide direction regarding player and team affiliations.

- 1) Affiliations serve two purposes:
  - a) To supplement a team that is deficient in numbers due to lack of registration, injury, or sickness.
  - b) To recognize or reward players at a lower level. Player movement upwards is a privilege and not a right. Affiliation to reward should only be encouraged when the player exhibits strong individual skills and play, team commitment and dedication.
- 2) A hockey team can affiliate with another team as follows:
  - a) A team from a lower division or category within their minor hockey association.
  - b) With up to 19 named players from a lower division or category within their minor hockey association.
- 3) The process of affiliation includes:
  - a) Affiliation must be declared and filed in writing as per Hockey Alberta process by December 15<sup>th</sup> of the playing season.

- b) The coach or manager of the team wishing to use affiliated players must first contact the coach or manager of the team an affiliated player might come from, and request a player.
- c) A player's first commitment must be to the team he is registered on.
- d) The coach of the affiliated player has the right to determine which player is used or rewarded by playing on an upper team.
- e) Should the coaches disagree on which players should be used by an upper team, the matter shall be referred to the President for discussion and decision.
- f) If the coaches & team reps fail to agree, the matter will then be referred to the President whose decision will be final.
- g) The player can only play the number of games allowed by Hockey Canada and Hockey Alberta rules and regulations.
  - i) Before January 15<sup>th</sup> – 10 games during regular season and playoffs
  - ii) If players team has completed all league and playoff games the affiliated player may resume play
  - iii) It is the responsibility of both coaches to ensure the maximum number of games is not exceeded.
- h) Any player participating in a game as an affiliate without proper permission and approval shall be considered an "ineligible player". The player and team officials of the offending team will be subject to discipline by Hockey Alberta and Hockey Canada.

Additional information can be gained from the Hockey Alberta Bylaws and Regulations on the Hockey Alberta web site. <http://www.hockeyalberta.ca>

### **COACH SELECTION PROCESS**

All coaches and team staff must complete an application form for each year they wish to coach or be a part of the team staff. The application process includes submission of a completed RCMP Security Check including Vulnerable Sector check. Applications will not be accepted without this check. A RCMP Security Check including vulnerable sector must be completed every year by every team staff member.

All coach applications must be submitted prior to the registration date. Generally coach applications for hockey are accepted between June and September 15<sup>th</sup> of the season in question. The final date for applications is September 15<sup>th</sup>.

If more than one application for a head coach position is received and approved, the board may incorporate the following process:

- a) A meeting of the team's parents will be called.
- b) All potential coaches will be asked to present their coaching philosophy and rationale for coaching.
- c) The parents will then complete a secret ballot vote to determine the head coach.
- d) Only one vote per child is allowed.

### **EXPECTATIONS OF COACHES**

Coaches of SMSA teams may only be registered with one team. In extenuating circumstances, a coach may seek board approval to be registered with a 2<sup>nd</sup> team. Generally this will occur only when no other qualified coaching personnel is available to coach the team in question.

Where a SMSA team has one or more girls on the team, we recommend that an adult female be registered with the team. This person does not have to be a coach with the team but is registered as a coach or team staff member.

All coaches are required by Hockey Alberta to wear a non-expired CSA certified helmet at all times while on the ice. Coaches are expected to coach to work towards the general and identified program expectations.

## **CERTIFICATION REQUIREMENTS FOR COACHES AND TRAINERS**

The certification requirements set out in this document are based upon the rules and regulations of Hockey Alberta and Hockey Canada. All coaches requiring certification must complete their training and prior to December 31 or the current season to be eligible for provincial competition.

Where coaches are required to pay a fee they may be reimbursed for that expense upon successful completion of any course requirements including coach certification.

Please visit the web site of Hockey Alberta for more detailed information on the NCCP and other certification requirements for team staff. <http://www.hockeyalberta.ca>

It is expected that all agreements will be signed at the 1<sup>st</sup> coach's team meeting. Copies of the Codes of Conduct and Contracts are included in the Appendix of this document.

### **Zero Tolerance Statement**

The SMSA will not tolerate the abuse of officials, coaches, players, parents, and volunteers. The Executive of SMSA reserves the right to remove any person from the arena facility whose behavior is detrimental to the association and its members. The association and Sangudo and District Ag Society will work together to ensure a

Zero Tolerance attitude is reinforced in our community. The Discipline Committee will deal with any behavior deemed inappropriate and abusive. The Executive of the Association also believes that all members have the responsibility to conduct themselves with high standards and to ensure that fellow members conduct themselves appropriately.

## **DISCIPLINE & DISPUTE RESOLUTION PROCESS**

### **General Policy**

The Sangudo Minor Sports Association expects all team officials & members to exhibit leadership qualities that promote player sportsmanship and decorum, as well as acceptable levels of propriety, towards opponents, game officials, and spectators.

As such, standards of behaviour should be clearly defined and maintained throughout the season, within a climate of mutual respect. It is recognized, however, that from time to time, sanctions may be necessary, from an external source, for behaviour that transgresses acceptable standards. Such sanctions may be applied to any player, team official, team follower, parent or member, and may take the form of:

1. A verbal reprimand from a Director or Executive member.
2. A written reprimand from the Discipline Committee.
3. A suspension from the Discipline Committee.
4. An expulsion from the team or Association.
5. A combination of the above.

Sangudo Minor Sports Association through its elected or appointed officials has the authority to discipline any player, team official, team follower, parent or member. The SMSA Executive must ensure that written regulations exist that ensure each disciplinary incident is dealt with consistently within the process set out below.

Three different Discipline Stages are possible, namely:

- |         |   |                      |
|---------|---|----------------------|
| STAGE 1 | - | The Informal Process |
| STAGE 2 | - | The Formal Process   |
| STAGE 3 | - | The Appeal Process   |

The Informal Process means that rules are automatic and based upon the playing rules of the game, Hockey Canada and Hockey Alberta regulations.

The Formal Process means that a more serious action has occurred and the Discipline Committee of SMSA is involved to make decisions that are consistent and in line with the Policies and Procedures of the Association.

The Appeal Process is the process members must follow to appeal decisions of the Discipline Committee or the Appeals Committee of the Association.

Examples of incidents that may warrant disciplinary action:

- Profanity by players, team officials or club representatives.
- A player who receives a game misconduct, gross or match penalty.
- A team assessed two or more bench minors in one game.
- A coach or bench assistant who is ejected from a game.
- A team who, in the opinion of the President or Executive, is being assessed too many penalties of a serious nature.
- A team member or team follower who repeatedly brings discredit to the team and the Hockey Association, through violent, abusive, or gross behavior, on or off the ice.
- Use of alcohol or other illegal substances while representing SMSA through participation in any team activities.
- A parent or guardian who exhibits conduct unbecoming to the integrity of the Sangudo Minor Sports program.
- A team that fails to utilize ice time without prior notification.
- A team that fails to show up for league and exhibition game commitments.

## **THE FORMAL PROCESS – STAGE 1**

### **Standard Suspensions**

Where the current Hockey Canada Playing Rules dictates a suspension for a player for a rule transgression, and game officials determine, by a write-up, that such a transgression took place, the coach in consultation with the Association Vice President, as a matter of routine will implement the suspension.

### **Non – Standard Suspensions**

When incidents occur which may warrant disciplinary action the coach(s) and/or member of the team staff shall report the incident as quickly as possible to the Discipline Chairperson or President, and at least prior to the next game, for action.

The Discipline Chair shall, investigate the incident, and determine the sanction to be applied. In investigating the incident the Chair may consult such game officials, players, parents, or other observers that he may deem necessary to gain the relevant facts of the incident.

The Discipline Chair may, when appropriate, establish a Discipline Committee to assist in the investigation and discipline decisions. This committee must be approved by the President and can include executive members or other community members where appropriate.

The Discipline Chairperson with the coach(s) implements the sanctions with the players(s). A file must be created and established with the Discipline Chair/Vice President until the end of the season when the file will be maintained with the Secretary of SMSA.

## **APPEAL OF DISCIPLINE**

Notwithstanding the above, should a coach, player, or parent feel that Stage 1 has not satisfactorily resolved the issue, it may be appealed to Stage 2 in writing. However, Stage 1 sanctions remain in effect until Stage 2 is complete.

For incidents of a very serious nature, the President or Vice President may elect to suspend a player or coach indefinitely and proceed directly to Stage 2.

Any appeal of discipline must occur within 72 hours of notification of the original discipline being communicated. The appeal must be in writing to the Vice President who acts as the Chairperson for Discipline.

## **THE FORMAL PROCESS STAGE 2**

The Discipline Chairperson (VP), on receiving a written request or appeal shall notify the President who must convene an Appeals Committee Meeting.

The Appeals Committee is appointed by the President and shall consist of one executive member who acts as the Chair of the Appeals Committee, and two other persons approved by the President, and shall be no less than 3 people. Any Director or person may be appointed to the Appeals Committee where appropriate and decided by the President.

The Appeals Committee shall establish a hearing and invite such persons, as they deem necessary to provide information to the Committee.

The Appeals Committee shall, with all dispatch, render a decision and communicate that decision to the offending party. Such communication may be verbal at the outset but shall be confirmed in writing with copies logged with the SMSA Secretary.

The Chairperson of the Appeals Committee reports the outcome of the hearing to the President and to the Hockey Alberta Zone as required by Hockey Alberta guidelines.

## **APPEAL OF DISCIPLINE**

Notwithstanding the above, should a coach, player, or parent feel that Stage 2 has not satisfactorily resolved the issue, it may be appealed to Stage 3 by writing to the Secretary, requesting an Appeal to the decision. This appeal must occur within 72 hours of the decision being communicated.

### **THE APPEAL PROCESS STAGE 3**

Two appeal processes exist at this stage.

1. Appeal of the decision of the Discipline Director or Discipline Committee.
  - a. An appeal made at this level must be heard by the Appeal Committee as identified by the president of SMSA.
2. Appeal of the Decision of the Appeal Committee
  - a. If the disciplined member disagrees with the decision of the Appeal Committee, their next avenue of appeal is directly to the Board of Directors of SMSA.
  - b. Only members of the Board not involved in the Discipline Committee or Appeal Committee decisions can participate in the appeal to the Board.
3. Following an appeal to the Board, the member then must proceed to Hockey Alberta processes to appeal any decisions.

The Secretary on receiving a written request for an appeal shall place the item on the agenda for the next regular meeting of the Executive, and inform the President, Vice President and Appeals Committee Chairperson.

The Executive may provide up to thirty minutes of meeting time for the person making the appeal to state their case. After the statement has been given, the executive will discuss the case in private.

The Executive shall render its decision by motion, and a simple majority of those members in attendance and eligible to vote shall suffice. Executive members who participated in any previous decisions may not participate in the discussion and final decision of the board.

The decision of the Board of Directors shall be final and binding on all parties, except for those avenues of recourse provided by Hockey Alberta and Hockey Canada.

Without restricting the foregoing the following general guidelines apply:

- a) First infractions by players will normally be satisfactorily concluded at Stage 1.
- b) Second infractions by players could proceed directly to Stage 2 under extreme circumstances.
- c) Infractions that involve coaches, team followers, or parents will normally proceed directly to Stage 2.
- d) Suspensions when applied to players shall specify:
  - The number of games to which the suspension applies, both league and exhibition, or
  - The time period for which the suspension applies
- e) Player suspension includes no activity in bench area, prior to or after the specified games, or during the specified time period.
- f) Suspensions when applied to parents, coaches, or team followers shall normally restrict the access of those persons to dressing rooms, bench areas, and possibly spectator areas of arenas.

## **Hockey Terminology and Definitions**

### **Hockey Alberta**

Hockey Alberta is the governing body for amateur hockey in the province of Alberta. MMHA is a member of Hockey Alberta and agrees to operate under the guidelines, policies, and direction of Hockey Alberta. Hockey Alberta members are minor hockey associations registered with Hockey Alberta.

### **Hockey Canada - HC**

Hockey Canada is the governing body for amateur hockey in Canada. Hockey Alberta is a member of Hockey Canada. Hockey Canada is made up of member branches or the provinces.

### **Hockey Canada Mentorship Program**

Following the 1999 Open Ice Summit, a major goal was to establish a program of coach mentorship across the country. Hockey Canada and Hockey Alberta have worked to implement a major mentorship program where experienced coaches are trained to work with younger, less experienced coaches. It is felt that new or inexperienced coaches will benefit from a supportive coach willing to mentor and assist in the coach's development.

### **Hockey Canada Initiation Program**

The HC Initiation Program has a philosophy of fun participation for beginning hockey players up to age ten years. The philosophy emphasizes skating skills and fun vs competition and games. The program provides four sets of twenty lesson plans, one set for each year, that coaches can use to guide them in developing skating skills of young players. The sets are designed to be used in Year One through Year Four before a child enters the Atom level.

### **Hockey Canada Skills Program Curriculum**

Hockey Canada has designed a package of progressive drill for every level of the game – Atom, PeeWee, Bantam, and Midget. The lesson plans have been designed with a “recipe” approach where coaches can see what is appropriate at each level and time of year. Many up-to-date drills are included in these programs and coaches will benefit significantly if they incorporate them into their coaching program.

### **Individual Tactics**

Skills that individual players can use to gain an advantage or take away an advantage from an opponent. They are usually a combination of individual skills. An example would be the player using skating skills with puck handling skills to maintain puck control.

### **Team Tactics**

Skills that two or more players use to gain or take away an advantage. These Tactics are usually a combination of individual skills and tactics. An example would be two or three players attacking on a 2 on 1 or 3 on 2
