PROUD MEMBERS OF

THE SASKATCHEWAN SOCCER ASSOCIATION (SSA) IS THE DESIGNATED PROVINCIAL SPORT GOVERNING BODY FOR THE SPORT OF SOCCER IN SASKATCHEWAN AND IS A FULL MEMBER OF THE CANADIAN SOCCER ASSOCIATION (CSA).

AS SUCH, SSA IS ENTRUSTED BY THE STATUES OF FIFA AND THE CONSTITUTIONS OF THE CSA AND SSA WITH THE MANDATE OF FOSTERING, DEVELOPING, AND PROMOTING SOCCER IN THE PROVINCE.

OUR VISION

To be a dynamic and innovative organization, enriching lives through the development of strong relationships and the delivery of soccer programs and services of the highest quality.

OUR MISSION

To provide leadership and support in the delivery of first-class soccer programs and services in Saskatchewan, developing individuals, creating community, and supporting life-long participation in the sport.

OUR VALUES

PARTICIPANT-CENTRED: our players, coaches, officials and volunteers are at the heart of everything we do.

INNOVATION: we seek to find new and creative approaches to developing the sport throughout the province.

COLLABORATION: we work together and with our key partners to achieve the goals of the Association.

QUALITY: we strive to achieve personal bests in everything that we do.

INTEGRITY: we believe in being open, transparent and honest in all of our interactions.

ORGANIZATIONAL OUTCOMES

- ◇ All participants are given the opportunity to achieve their goals through participation in soccer.
- ◇ There is a sense of belonging in the provincial soccer community.
- ◇ Individual's life skills and leadership skills are enhanced through soccer.
- ◇ Healthy lifestyles are promoted and enhanced through life-long participation in the sport.

Messages from Leadership

To Saskatchewan Soccer Association (SSA) Membership, Stakeholders, Sponsors and Supporters,

On behalf of the Board of Directors I want to express my sincere thanks for your dedication to the game. This past year we experienced many successes and, as would be expected, some roadblocks that challenged us. Overall, the year was a success on many fronts. We enter the year with the new [2017-2020 Strategic Plan](#) in place, faced with a changing landscape in soccer, but confident we are ready for the opportunities that lie ahead.

The work of the Board often goes unnoticed but it is the foundation of the Association. Throughout the year the Board and Standing Committees committed themselves to the governance of the Association. I want to thank the Directors, along with Chairs (Governance – Lisa Bagonluri, Risk Management – Jeff Humm, Audit & Finance – Leonard Lewko, Awards & Recognition – Leslie Blyth, and Nominations Co-chairs – Kelly Rawlings & Leonard Lewko) and external representatives of our Standing Committees for their hard work. Each of the Committees developed and executed annual work plans designed to ensure that we continue to meet the highest standards in non-profit governance.

The world of sport is a changing landscape and this is the current reality for soccer. There are many examples that illustrate how success follows when all parties in a system align their focus and effort. SSA works closely with Canada Soccer (CSA) and Sask Sport Inc. to ensure that SSA adjusts to new trends and aligns with direction we receive from our key partners. We also work closely with our provincial and territorial partners within Canada Soccer. SSA Staff and Board members contribute as members of the CSA Presidents Forum, Administrative, Competitions and Technical committees. We are also contributing to the review of Child Licensing and development of the national Club Licensing standards.

One of the primary external measures of our success is the 3-year detailed assessment process managed by Sask Sport Inc. This is a very comprehensive process that looks at all aspects of SSA governance and operations. We are pleased to report that SSA's success from this past review has resulted in increases to our Annual Funding and High Performance Coach Capacity funding.

As we expect each year, we faced a number of challenges in 2017, not the least of which is declining registration. The Board has directed Staff to undertake a thorough review of the registration data and initiate strategies to help us better understand why the majority of Member Organizations have lost members this past season. Staff will be working closely with Membership in 2018 to increase our understanding of the issues and craft solutions to help turn this trend around.

A major initiative, designed to invest directly in membership, was the Saskatchewan Soccer Strategic Planning Initiative (SSSPI). The goal of the project was to provide membership with support from an external expert to support them with the development of local strategic plans. With more Member Organizations investing in planning and aligning their work with SSA, we will begin to establish strong metrics for the success of the game on a provincial level. We were pleased when seven Members joined the SSSPI, but surprised that more members did not sign on.

This was a unique opportunity for SSA membership and a significant investment into the future of the game; we know of no other soccer program or sport that has provided an opportunity such as this to their membership. We look forward to seeing what the long term results will be for the participating groups.

The Board also allocated funding to invest in increasing the profile of the game by approving funding for the development of a series of promotional videos to promote the game. That project will be completed in 2018 and the various productions will be available for Members to use to assist in increasing awareness of the game of soccer.

As outgoing President, I am very grateful to have had such excellent leaders within Membership, on the Board and among the Staff to work with during my term. After a decade on the Board I have seen the SSA become a leader in Canada. We have a lot to be proud of and I leave the Board confident that we have the highest standards of governance and excellent leadership in place to carry our vision forward in the years ahead.

SSA Management Report

The Executive Director report to the 2017 AGM focused on three key themes:

- ◇ Alignment of vision and the coordination of effort province-wide to grow the game at all levels
- ◇ Establishing and communicating standards to guide our progress and support the continued refinement of strategy
- ◇ An unwavering focus on quality improvement through self-evaluation against the standards that have been set

These three themes will continue to guide our work, but we build upon them, adding another lens – the focus on the participant experience:

- ◇ Programming and action will be participant-centred.

Our Mission statement challenges us: *“To develop great people and connect healthy communities in Saskatchewan through lifelong participation in soccer.”* Our primary value statement reminds us to be Participant-centred keeping: *“Our players, coaches, officials and volunteers at the heart of everything we do.”* When our participants’ needs are met, they will stay in soccer, champion the game to others and our programming and organizations will thrive.

The registration data, both provincially and nationally, indicates that soccer is very good at attracting participants to try the game but we are challenged to maintain participation long term. In 2017, we saw dramatic changes in registration in the province, with 40 of 65 Member Organizations experiencing a decline. The decline impacted Outdoor & Indoor, Mini, Youth, Senior, Coaches and Officials. This data reminds that collectively we must focus on meeting the participant’s needs to ensure their *“lifelong participation in soccer”*.

Messages from Leadership

In response, SSA initiated a survey of the Member Organizations to determine the thoughts of our provincial leaders on the decline in registration. Unfortunately, the results point us in many directions and do not provide a definitive solution. Provincial and Territorial Soccer Associations are working, along with Canada Soccer, to develop metrics and assessment tools to help inform these discussions going forward. **So how do we work collectively to enhance the participant experience?**

Ultimately, it is about being touch with and adapting to the changing needs and interests of the players.

So what are the critical skills and tools we need to enhance our collective effort?

Listening – as outlined in the Strategic Plan SSA will work with membership to develop resources and practices that will help our organizational listening capacity. We will acquire more direct feedback from the participants to find out: **Why players are leaving the game? What can we do to enhance the participant experience? How can we encourage more coaches to get involved? What do participants want that the current systems are not providing?**

Data Acquisition– by establishing common metrics, we will enhance our ability to evaluate and to recognize when change is required. Without data and feedback we are working on assumptions.

Self-Evaluation – armed with information we can analyze performance against established standards. By fostering a culture of self-evaluation we stay relevant and are in tune with the changing landscape.

Openness to Change, Adaptability and Innovation – with the knowledge that the landscape is changing we must evolve with it; competition is a positive thing. New partners and programs will emerge and our willingness to adapt will determine if we are successful.

Alignment – having a collective, overarching-vision, while honoring and encouraging unique local approaches and innovations is critical.

By continually striving to create the best environments and systems that serve participants better we expand our reach. By ensuring that all of our decisions are participant-centred, we will maintain our focus on what is most important. To that end, SSA initiated an ongoing process where we will consider what quality soccer is and should be. We are preparing to introduce plans that will bring clarity to the role of all stakeholders within our 4 streams: Grassroots, Community, Competition and High Performance. The foundation of our work in the streams comes from a constant focus on Coaching, Officials and Member/Organizational development. Strong organizations, with a unified, clear vision, aligned locally, provincially and nationally, that are responsive to participant needs will succeed. Meaningful change cannot take place if the system is working against itself. Collective vision and aligned effort will provide soccer in Saskatchewan the platform for meaningful growth.

Messages from Leadership

SSA is actively preparing to align our work with that of Canada Soccer Club Licensing which will become a primary framework to guide the development of the game at all levels in Canada. With the hiring of John Herdman, we hope to see more clarity and focus in the Men's pathway. We trust that soon we will see new resources developed that will be participant focused and add value at all levels of soccer. These resources will serve our coaches, organizers and officials better so that they can efficiently and effectively deliver quality programs that meet the needs of our athletes.

There were a lot of highlights in 2017. A few years ago hosting an international soccer event, like Valencia C.F. vs. New York Cosmos would have been unheard of. This year it became a reality and the excitement surrounding Soccer Day in Saskatchewan was at a level we had not seen before. And just when we thought we were as close to the big leagues as we could get, this fall Regina, with the new Mosaic Stadium, was approached as a potential host city for World Cup 2026, which is the world's largest sporting event. Although we were not chosen as one of the final host cities, there were invaluable learnings that came from the process. Regina and Saskatchewan were singled out as the only North American non-World Cup site to be invited to the 2026 Unified Bid World Cup development meeting in Houston. Coming out of that opportunity, Regina is now being targeted as a potential host for major international events, which could still include World Cup 2026 related activities. Furthermore, to add to the excitement, the Canadian Professional League (CPL) is coming closer to reality, and we all look forward to cheering on our own professional team.

Soccer in Saskatchewan is gaining exposure and the landscape is truly evolving; the opportunities that are coming have never been better. The Board and Staff are committed to working with Membership to grow partnerships that enhance the profile of the world's greatest game in our province. There is a real opportunity available to us to unite and grow the game in Saskatchewan. We will be measured by our ability meet the needs of the participants.

RE: Letter from President Reed for the 2018 SSA AGM

Dear Saskatchewan Soccer Association,

Canada has positioned itself as a leading soccer nation and the support and collaboration with our provincial associations has been a key to the sport's success. In 2017, Canadian content was a focus of our efforts and we all worked together to create those opportunities for our emerging, young talent.

We were happy to welcome the Canadian Premier League into our membership this past year. We know that increased professional playing opportunities is vital to our future performance on the international stage. Alongside the Saskatchewan Regional EXCEL Centre for young women's footballers, we can nurture further growth and interest in the world's game.

At the heart of the game, we look forward to bringing our premier amateur competition – the Toyota National Championships - back to Saskatchewan in 2018. As they always do, Saskatoon will serve as excellent ambassadors for our game as we host our oldest competitions in both men's and women's soccer this October.

We are also pleased to collaborate with our partners in Mexico and the United States on a United 2026 bid to host the 2026 FIFA World Cup™ across North America. We all experienced what a successful FIFA Women's World Cup could do for our nation and our sport. We look forward to growing the game in our country even bigger.

As always, our ever-improving relationship with our provincial and territorial member associations is key to the growth and prosperity of the beautiful game in our country.

Sincerely,

Steven Reed

Celebrating Our Achievements, Merits & Contributions

IN March 2017, the provincial soccer community came together in Saskatoon to celebrate the successes of the game's up and comers, veterans, officials and supporters in 2016.

The SSA Recognition and Technical Awards Celebration is an opportunity for members within the community to collectively share in the accomplishments of the players, teams, coaches, referees, and volunteers from all over Saskatchewan.

Technical Awards were based on a Nomination process, where members from the entire SSA community can bring forth names of individuals who have had a significant year in 2016. Nominations were considered by the Technical Committee and a slate of winners and nominees were accepted and announced. The Premier Soccer League Golden Boot and Shutout Awards were awarded to the player(s) in each age and gender category, for their respective accomplishments.

Volunteer of the Year and the David Newsham Award are the most prestigious awards presented by the Saskatchewan Soccer Association. Award nominations are reviewed by the Board of Directors Awards and Recognition Committee and selections are presented to the Membership during the Banquet.

2017 Organizational Highlights

Players

- Significant work was done to advance the notion of quality programming to align with Club Licensing and future define future environments within the Player Pathway
- Release and amendment of Age Classifications based on member feedback supports alignment with Canada Soccer and enhances competition framework within the province
- Successful introduction of Walking Soccer, an adaptive form of the game that will allow new participants to preserve vitality and access the sport longer in life
- 2,000+ athletes accessed camps in six of nine Sask sport districts
- Hosted first ever Futsal Provincial Championships, followed by a very exciting silver medal at Futsal Nationals. Saskatchewan was the only province outside of Ontario & Quebec to attend
- Regional Excel Centre SK program maintains its 100% graduation record to College/University heading into 2018, including nine 2017 program graduates offered post-secondary opportunities: 8 U Sports Schools, 1 NCAA div. 1 school
As of December 2017, six 2018 program graduates had signed letters of intent for post-secondary opportunities: 2 NCAA div. 1 schools, 1 NAIA school, 3 U Sports Schools
- Vancouver Whitecaps Football Club (WFC) partnership establishes the formal Male Player Development Pathway
- Claire Abrey evaluated at the Canada Soccer Regional EXCEL Super Centre/Whitecaps program in Vancouver, B.C.; she subsequently participated in the EXCEL Super Centre evaluation completed at the Canada Soccer U20 National camp

- Thomas Hasal called up to the CanMNT U20 camp, followed by the International series in Panama. He later was called back to the CanMNT U20 Camp in Mexico; he subsequently started all three of Canada's matches at the CONCACAF U20 Men's Championships in Costa Rica
- Vancouver Whitecaps FC confirms contract for Brett Levis; his second year as part of the First Team
- Rodrigo Santamaria called up to represent on the El Salvador National Team for the CONCACAF U-17 Men's Championships in Panama
- Targeted recruitment resulted in two teams participating in the Soccer for Life Women's Provincial Championship, marking the second time this competition has been delivered since 2012.

the Competitive Stream Plan 2017; focused on confirming team participation, securing support for play within existing tournaments, and facilitating the development of a 2018-2020 schedule framework.

- Five new applications received by SSA from around Saskatchewan for High Performance Training Centre or Dedicated Player Program designation
- SSA is recognized a one of eight nationally certified Canada Soccer Regional Excel Centres across the country providing year-round periodized programming and sports science support for identified athletes.
- Sanctioned HPTC/DPP programs around the province increase from two in 2016 to five in 2017, therefore increasing the number of athletes in Standards Based Training Environments.

2017 Organizational Highlights

Coaches

- 592 Coaches received training in 47 courses
- Three Futsal 101 Coaching Courses were facilitated in Northern Saskatchewan
- Two C-License courses were held, resulting in 44 Coaches 'trained' and ten 'certified'
- Two Coaches attained their National B license certification
- Dates and information regarding the 2018 coaching education stream communicated earlier than ever before to assist coaches to better prepare to access certification
- A Leadership Workshop was delivered to Technical Leaders from around the province that focused on planning, reporting, and evaluation of technical programs
- 972 new Team Personnel completed Respect in Sport (RiS) Training; 100% compliance with SSA RiS Policy at all SSA Events, contributing to a safer and healthier environment for all athletes involved
- SSA released recommended Game Formats, providing a framework to align all game play throughout Saskatchewan

Referees

- Referee Education Sessions were delivered in six communities to increase the level of knowledge and understanding of officiating, and to provide on-going development opportunities outside of formal clinics.
- Enhanced resources were developed to referee development
- Developed SSA Best Practices Guide for Referee Development
- Nine referees from SERP and Candidates Program advanced to a higher level of certification
- SSA Referee, Chantal Boudreau was included on the selection list for the 2019 FIFA Women's World Cup
- SSA had representation in all Canada Soccer National and Regional Championships for the third consecutive year; Referees were appointed to the 2017 Canada Summer Games
- 15 Officials supported by the SSA Referee Development Grant

2017 Organizational Highlights

Organization

- SSA has fully aligned and integrated Strategic, Strategic-Operational, and Operational (Program, Budget and Work Plan) Plans guiding activities and direction for the period of 2017-2020, which align with Canada Soccer and SaskSport Inc. directions
- Five new staff hired, possessing the knowledge, passion, and skill to guide SSA into the future
- Annual General Meeting resulted in a full complement of 12 Directors bringing diversity to the Board; 67% female representation, 33% male representation
- Delivery of Youth engagement survey resulted in a better understanding of youth membership's opinions on participation in soccer the; 219 youth participated and the data gathered can be used as a benchmark to measure changes in youth opinions about soccer.
- Strong fiscal management and oversight led to another clean audit and, despite major declines in registration, a surplus was achieved which will allow us to invest in growing the game
- Addition of a full-time Coordinator of High Performance to Saskatchewan Soccer Association staff
- 95% of current Member Organization have adopted the use of the GOALLINE registration and communication system
- Invested in tangible products to increase awareness of SSA Brand; materials such as door hangers and promotional videos are available to share with Members to support member recruitment

Membership

- Membership supported the approval of important bylaw amendments that simplify Membership structures and better position the Association to manage membership and execute the 2017-2020 Strategic Plan.
- SSA invested in the Saskatchewan Soccer Strategic Plan Initiative (SSSPI) to enhance strategic planning and provincial alignment with seven member organizations.
- Significant work was done to support Canada Soccer to develop the Club Licensing framework, ensuring the unique strengths and challenges of delivering soccer in Saskatchewan will be a consideration as the new framework and processes are rolled out.
- Five new Member Organizations joined the Association: Poundmaker, TDsoccer, Rosetown, Eston and Carnduff.

- Six Grassroots Technical Development Sessions were held with Member Organizations through Grassroots Workshops, conducted across four Sport Districts.
- SSA has engaged with Members to strengthen local governance
- Awarded \$213,300 in Member Assistance Program funding to 43 Member Organizations an increase of 9 from 2016, resulting in the highest participation rates to date
- Member Organizations receiving Special Project Funding increased by 36% compared to 2016 (from 22 to 30 Member Organization)
- Ten female coaches and two female officials received support through the Women in Coaching and Officiating Grant
- Through Grassroots Workshops initiative, Coordinator of Member Services has now met with every interested Member Organization and completed the initial Member Organization Survey.

Community

- 2017 was a year of major successes in partnership with Aboriginal soccer organizations – significant growth in participation for North American Indigenous Games and First Nations Summer Games
- Extensive support to First Nations Summer Games in Regina results in a successful event involving 1200+ players and 200+ Team Personnel
- North American Indigenous Games – two years of preparation resulted in all Saskatchewan Teams being highly competitive and medaling in all Divisions.
- Wide spread support for the 2017 SaskEnergy Community Volunteer Recognition Drive. This partnership was a great opportunity to recognize local volunteers within in their community
- Research conducted to encourage partnership opportunities between New Canadian groups, SSA and Members contributing to a more collaborative, inclusive soccer environment.
- High level partnerships in place as a result of Soccer Day in Saskatchewan and 2026 FIFA World Cup Host City bid process; both opportunities also raised awareness and profile of our sport and will create potential for Saskatchewan to host world calibre events.

Excess of revenue over expenditures	\$ 33,169	\$ 54,480

Enhancing the Participant Experience -SSA Strategic Plan 2017-2020

In our collective effort to grow the foundation and systems for the game in the province, we must always keep top of mind, the experience of the participant. The SSA 2017-2020 Strategic Plan was developed with that important value in mind.

Our vision, mission, and values are the 'beacons' that guide the long term direction of the SSA and outline our fundamental purpose. Ultimately, they inform the overall direction of the Association and Strategic Plan.

A Vision Statement is a utopian statement of time that the SSA would like to see achieved. It does not describe what the SSA does, nor what it aims to do! Instead, it speaks to what we would like to see achieved (regardless of our role in achieving it).

Our Vision

Soccer enriches people's lives and builds strong relationships in Saskatchewan.

A Mission Statement describes what the SSA does to achieve its Vision Statement. It should not be a long description of the Association's services, but should speak fundamentally to our core purpose as it relates to our Vision.

Our Mission

To develop great people and connect healthy communities in Saskatchewan through lifelong participation in soccer.

Values are descriptive of what the SSA respects, rewards and prioritizes as an organization. They are reflected in the SSA's brand, the activities we engage in, and how our people (staff and volunteers) act.

Our Values

Participant-centred

Players, coaches, officials & volunteers are at the heart of everything we do.

Innovation

We seek to find new and creative approaches to developing the sport throughout the province.

Collaboration

We work together and with our key partners to achieve the goals of the Association.

Quality

We strive to achieve personal bests in everything that we do.

Integrity

We believe in being open, transparent and honest in all of our interactions.

The Pillars of the 2017-2020 Strategic Plan

1. Players - *'Every player gets the chance to learn, enjoy, and reach their goals through soccer'*

Strategic Goals

1. Increase the quality of programming throughout the SSA Player Pathway.
2. Expand the range of soccer competition and programming opportunities for players at Grassroots, Recreational, Competitive, and High Performance levels, in line with the SSA Player Pathway.
3. Boost overall enrolment through the implementation of the SSA's Player Pathway.
4. Build a cohesive high performance framework that assures the preparation of Saskatchewan's top youth soccer talent for higher soccer opportunities.

2. Coaches - *'Saskatchewan soccer coaches can unlock the potential in their soccer players'*

Strategic Goals

5. Expand the volume of registered soccer coaches in Saskatchewan.
6. Enhance the availability (volume and consistency) and accessibility to coach training and development around the province.
7. Enhance the quality of training for coaches entering the High Performance Stream with advanced coach licensing courses and mentorships with Master Coaches.
8. Target the adoption of coaching among young adult players (U16-U25).
9. Target the adoption of coaching among females, particularly at competitive and High Performance levels
10. Build unity and connectivity in the Saskatchewan coaching community.

3. Referees - *'Saskatchewan referees enhance the game experience and are respected for it'*

Strategic Goals

11. Create a unified, co-ordinated vertical system for referee development in Saskatchewan.
12. Increase the volume of certified referees.
13. Reduce barriers to referee development in rural areas of Saskatchewan.
14. Drive referee support across Saskatchewan.
15. Support the development of Saskatchewan's top referees.
16. Create a respectful game-time environment for Saskatchewan referees.

4. Organization (SSA) - *'The SSA is productive and responsible to its stakeholders'*

Strategic Goals

17. The SSA has the financial and human capacity to meet the priorities of the plan.
18. Continue to drive high standards in governance and Board practice.
19. Develop the skills and capacity of the SSA's human resources to enhance productivity.
20. Enhance the SSA's organizational 'listening' capabilities.
21. Data requirements are enhanced through full implementation of GOALLINE within all SSA Member Organizations.

5. Membership - *‘The SSA membership is efficient and effective in delivering soccer in Saskatchewan’*

Strategic Goals

- 22. Grow respect and trust for the Saskatchewan Soccer Association brand among its members.
- 23. Implement a simplified, effective membership structure for Saskatchewan soccer.
- 24. Establish defined, valued member service and support.
- 25. Implement a strategy, policy and standards approach to member management.
- 26. Drive consistent SSA-to-member and member-to-member connection.
- 27. Create and implement a standards-based recognition and reward system of member excellence.

6. Community - *‘The value of soccer is constantly brought to new Saskatchewan community groups’*

Strategic Goals

- 28. Target partnerships to develop soccer priority growth areas.
- 29. Enhance support to those in under-represented groups and those with barriers to participation.
- 30. Drive local corporate investment into community-level soccer.
- 31. Advocate and support for the development of soccer fields and facilities in Saskatchewan.
