

SASKATCHEWAN SOCCER ASSOCIATION VOLUNTEER OF THE YEAR

TERMS OF THE AWARD

The Saskatchewan Soccer Association (SSA) Volunteer of the Year Award is awarded to an individual in recognition of an outstanding contribution and/or achievement that he or she has made during the past year.

The contribution/achievement will have been exemplified in one or more of the following ways:

- a) strong community involvement
- b) was consistently a person on whom others could count on
- c) provided exceptional or extraordinary volunteer service
- d) inspired others to volunteer

The Volunteer of the Year Award may be presented to an individual who in the same year has also been presented with a recognition award in one of the player, coach, official or volunteer categories.

Nominations, including the Volunteer of the Year Award will be reviewed and winner selected by the SSA's Awards and Recognition Committee. The SSA may add names to the list of nominations, although preference will be given to nominations submitted by the soccer community.

Volunteer recognition is a vital part of the ongoing programs and activities of the SSA. The soccer community is asked to take the time to think of individuals who have made outstanding contributions to soccer in Saskatchewan so that they can be recognized by the SSA and its membership.

Nominations may originate from a team, coach, manager, referee, player, club, association, or the general public and must be signed by the nominator.
