

U6 - Fundamentals 2015 Outdoor Program

Overview

The U6 program is a developmental soccer program designed to introduce basic soccer skills and techniques using dynamic activities and fun games that teach the basics of dribbling, passing and shooting. - Team Format – 4 players per side, no goalkeepers
- Field Size – Approximately ¼ pitch (50 yds x 30 yds)
- Goal Size – 4' x 8' BowNets
- Game Duration – Games consist of two 18 minute halves, with a 3 minute half-time intermission.

Jamborees

The outdoor season will be bookended by two mini-tournaments. The kickoff jamboree will consist of a series of small-sided games which may also serve to determine the final league schedule. The season windup will be a festival format with soccer games as well as other fun activities (bouncers, face-painting) to celebrate the successful conclusion of the season.
