

Canada Soccer Standards for Quality Soccer (Saskatchewan)

The Canada Soccer Standards for Quality Soccer are designed to outline the minimum expectations of member organizations in Canada. It is expected that all member organizations provide a developmentally appropriate, safe, enjoyable, accessible, inclusive and welcoming playing environment for their participants, which differentiates it from non-member soccer and unorganized play. In order to be considered as a quality soccer provider, member organizations must also be in good standing with their governing organization(s) and meet the expectations of membership.
