

## Saskatchewan Soccer - Bylaws – Information Sheet

Unless otherwise limited by the articles of incorporation, the directors may make, amend or repeal bylaws, subject to approval by a majority of members at the next membership meeting.

Bylaws "regulate the activities and affairs of the corporation".

Bylaws are subordinate to the Articles. All policies and operations of the corporation must be consistent with the bylaws.

The ultimate reference point for both the Bylaws and the Articles is the [Non-profit Corporations Act, 1995](#).
