ASTRA Soccer Academy

Senior Academy Coach (Performance Stream)

Location: Saskatoon, Saskatchewan

Position Type: Part-Time (Approx. 30 Hours/Week)

Target Start Date: To Be Negotiated

Salary Range: \$45,000 – \$55,000 annually, depending on experience, education and licensing

About ASTRA

ASTRA Soccer Academy is a member of the Saskatchewan Soccer Association and Saskatoon's only National Youth Club Licence holder, recognized by Canada Soccer. ASTRA offers a variety of training and competition opportunities for boys and girls ranging from 5-23 years of age with an emphasis on long-term player development. We prioritize technical mastery, decision-making, and structured progression over short-term results.

Our environment is high-volume, detail-oriented, and player-centered. Competitive matches support development — they do not define it.

We are seeking an experienced senior coach to join our core staff group and help uphold and elevate our on-field standards within the Performance Stream pathway.

The Role

This is a field-dominant coaching position combining:

- Approximately 25+ hours per week of on-field coaching
- Approximately 5 hours per week of program coordination and light administrative responsibilities

The successful candidate will be comfortable delivering multiple high-energy sessions per day and maintaining consistent technical standards across age groups.
