1.1 Introduction

1.1.1 Why do we have tournament sanctioning requirements and standards?

Saskatchewan Soccer Association (SSA) is the governing body for soccer in Saskatchewan. In this role, SSA is entrusted by the statutes of FIFA and the constitution of Canada Soccer with the mandate of governing, fostering, developing and promoting soccer in Saskatchewan. As an organization, SSA is committed to Canada Soccer’s Long Term Player Development (LTPD) Model, Wellness to World Cup (W2WC) and Canada Soccer Grassroots Standards. The underlying principles of LTPD are based heavily on providing developmentally appropriate sport through a player-centred approach. These principles commit SSA and our Member Organizations and Entities running sanctioned tournaments to place the development, safety, enjoyment and well-being of the individual participant above all else when delivering these competitions.

In order to ensure all competitions within Saskatchewan observe these principles, SSA has developed a series of standards for tournaments. These standards are designed to ensure participants have the opportunity to compete in a developmentally appropriate environment conducive to maximizing their potential and showcasing their abilities. While tournaments are valuable social events for participants and have become essential fundraisers to support the many high-quality initiatives taking place within the host MO/entities, this value cannot come at the expense of the participants. By applying for sanctioning, tournament organizers agree to abide by all SSA tournament sanctioning policies and meet

ALL SSA required tournament sanctioning standards. Tournaments that fail to meet these standards will be subject to discipline as outlined in this document and/or SSA's *Discipline Policy*.

It is the belief of SSA that all participants should have the opportunity to participate in developmentally appropriate Safe Sport within a Respectful Game Time Environment. SSA is committed to ensuring all competitive structures within Saskatchewan are aligned to this guiding principle.

Should you have any questions about tournament sanctioning, contact the Coordinator of Competitions.

1.2 Process of Sanctioning Tournaments in Saskatchewan

- 1.2.1 Tournament organizers apply for sanctioning by completing the SSA tournament sanctioning form.
- 1.2.2 The SSA tournament sanctioning form must be approved by an SSA Member Organization through the signature of an authorized individual.
- 1.2.3 Member Organizations applying to host a tournament must be in good standing with SSA. Entities applying to host a tournament must be in good standing with their Member Organization and SSA.
- 1.2.4 Member Organizations cannot unreasonably deny the approval of an SSA tournament sanctioning form to an entity in good standing.
- 1.2.5 Following Member Organization approval, the completed SSA tournament sanctioning form is submitted to SSA. Incomplete forms will not be accepted.
- 1.2.6 All tournament sanctioning forms must be accompanied by the tournament sanctioning application fee. The tournament sanctioning fee is:
 - a) \$100.00 if submitted thirty days or more before the start of the tournament
 - b) \$250.00 if submitted less than thirty days before the start of the tournament
- 1.2.7 Sanctioning applications will not be considered more than 10 months before the start of the tournament.
 - a) Should the sanctioning requirements and/or standards change between the time of sanctioning and the start of the tournament, the tournament organizer is responsible for ensuring the tournament meets the revised requirement and/or standards.
- 1.2.8 Following review of the tournament sanctioning form, SSA will contact the applicant regarding any concerns, errors or omissions in the application.
- 1.2.9 Tournaments held the same weekend as an SSA provincial championship or annual general meeting (AGM) will not be sanctioned if conflicts are anticipated. Examples of conflicts include, but are not limited to, the availability of delegates for the AGM or players, officials, teams, volunteers and/or facilities for a provincial championship, media coverage and/or exposure of the tournament.
- 1.2.10 Upon approval of the tournament sanctioning form, the applicant will be informed of the decision and available tournament information will be posted on the SSA website.

- 1.2.11 Upon approval of sanctioning, tournament organizers may begin full promotion of the tournament. Promotion of a tournament prior to sanctioning is prohibited without permission of SSA and may result in disciplinary sanctions, as outlined in Article 1.6 - Compliance.
- a) In recognizing that tournament organizers may wish to begin promotion more than 10 months before the start of the tournament, permission may be granted by SSA for limited tournament promotion prior to sanctioning. Contact SSA to request permission to promote a tournament prior to sanctioning.
- 1.2.12 A copy of the tournament schedule must be submitted to SSA for approval at least 10 business days before the start of the tournament. Failure to submit a tournament schedule will result in disciplinary sanctions, as outlined in Article 1.6 - Compliance.
- 1.2.13 Posting or distribution of a tournament schedule prior to approval is prohibited and will result in disciplinary sanctions, as outlined in Article 1.6 - Compliance.
- 1.2.14 The tournament schedule should be distributed to participating teams no later than five days prior to the start of the tournament.
- 1.2.15 The tournament organizer must submit the tournament follow up report and financial statement as well as the Discipline Reports and any outstanding/unresolved Discipline matters within twenty business days of the conclusion of the tournament. Failure to submit the tournament follow up report and financial statement by this deadline will result in disciplinary sanctions, as outlined in Article 1.6 - Compliance.
- 1.2.16 Copies of all rosters and game sheets must be submitted to SSA upon request. Failure to submit rosters and/or game sheets if requested will result in disciplinary sanctions, as outlined in Article 1.6 - Compliance.
- 1.2.17 SSA must be notified of the intention to include the serving of alcohol during a sanctioned tournament. Should alcohol be served by the tournament organizer, they are responsible for ensuring compliance with all legal requirements. Failure to do so may void SSA insurance coverage.
- 1.2.18 SSA shall not be held responsible for any financial losses incurred by the tournament organizer in hosting a sanctioned tournament.

1.3 Tournament Sanctioning Policies and Standards

1.3.1 Administrative policies:

All tournaments within jurisdiction of SSA must be sanctioned by SSA.

- a) SSA staff and/or board members are provided free entry to any sanctioned tournament.
- b) Entry into a sanctioned tournament in Saskatchewan is limited to teams that are properly affiliated with SSA or another provincial, state or national association.
- c) All participating teams from within Saskatchewan must be registered members in good standing with an SSA Member Organization and/or SSA.
- d) All participating teams from outside of Saskatchewan must be registered and in good standing with their district, provincial, state and/or national soccer association.

- i) Any player wishing to participate as a “guest” or “permit” player (as defined and allowed under the tournament rules) must have written permission to participate from the Member Organization and/or Entity with whom they are registered.

1.3.2 Administrative Standards

- a) All sanctioned tournaments must be overseen by a tournament organizing committee. The members of this committee must be declared as a part of the sanctioning application.
- b) All sanctioned tournaments must observe the *SSA Event Discipline Procedure* (see Article 2 of the *Discipline Policy*). As dictated by this policy, judicial processes for events must be overseen by an event discipline committee. The members of the event discipline committee must be declared as a part of the sanctioning application.
 - i. Modifications may be made to the *Event Discipline Procedure*, but modifications (and the reasons for those modifications) must be outlined in the tournament host’s sanctioning application and approved by SSA prior to distribution in the tournament rulebook.
- c) Sanctioned tournaments must meet the following administrative standards in order to receive sanctioning:
 - i. An emergency action plan (EAP) is in place and supported through adequate training.
 - ii. A telephone is on-site at all fields and available for emergency calls

The following table outlines the specific requirements for the most frequent game lengths; however, the tournament organizer is responsible for ensuring the required rest time is accurately calculated and adhered to when scheduling.

1.5.2 The following coaching standards are also required of all participating teams under the jurisdiction of SSA in order to receive sanctioning: [SSA Coaching Standards](#).

1.5.3 Additional explanations pertaining to the required technical standards are as follows:

- a) Playing Format = the maximum number of players on the field. Tournaments may utilize a playing format that involves fewer players on the field and adapt the squad size, field width and length and goal size accordingly; however, the maximum number of players on the field cannot be exceeded for any age group. Age group formats must adhere to the Canada Soccer LTPD requirements (no standings/playoffs results-based approach within the Grassroots Stream, etc).
- b) Squad Size = the maximum number of players participating in any given game. The squad size may exceed the maximum for training and the participating players can change between games and/or competitions; however, cannot exceed the maximum in any given game. The squad size standards are developed within the LTPD and are designed to encourage active participation from all players in game situations.
- c) Field Width and Length = the range of acceptable field sizes for each LTPD stage and age group based on the playing format. Tournaments may adapt the playing format to involve fewer players on the field within each age group and adapt the field size accordingly; however, the maximum field width and length cannot be exceeded for any age group.
- d) Goal Size = the maximum goal size permitted based on the playing format. Tournaments may adapt the playing format to involve fewer players on the field within each age group and adapt the goal size accordingly; however, the maximum goal size cannot be exceeded for any age group.
- e) Ball Size = at the Under 9 age group, tournaments may utilize either a size 3 or size 4 light ball. All other age groups must utilize the size of ball outlined in the technical standards.
- f) Maximum Playing Game Time per Day = the maximum amount of time that a team can be on-field in any given day, regardless of the number of games in which they will participate. Tournaments with multiple games per day must adjust the length of these games to fit within these standards.
- g) Recommended Game Duration for Tournaments with Multiple Games per Day = tied to the maximum amount of playing game time per day, these are the recommended game durations for situations where teams are required to play multiple games in a single day.
- h) Maximum Game Duration = the maximum length of regulation play for any game.
- i) It is mandatory that all referees officiating in an SSA sanctioned tournament be certified through a Canada Soccer accredited refereeing course.

1.6 Compliance

1.6.1 Tournament organizers that fail to meet the deadlines, follow the processes, comply with the policies and/or meet the required standards contained within the *Tournament Sanctioning Policy* will be subject to disciplinary sanctions, according to the following table:

Infraction	Fine
Promotion of an unsanctioned tournament without SSA permission.	\$250.00
Failure to submit a copy of the schedule 10 days before the start of the tournament.	\$250.00
Posting or distribution of a tournament schedule prior to SSA approval.	\$250.00
Failure to submit travel permits for all out of province teams before the start of the tournament.	\$250.00
Failure to submit travel permits for all out of province teams within 10 business days of the conclusion of the tournament.	\$1000.00 per team

Failure to adhere to an administrative or a technical policy or to meet a required administrative or technical standard.	Up to \$5,000.00 and/or possible suspension of tournament
Failure to submit the tournament follow up report and financial statement within 20 business days of the conclusion of the tournament.	\$250.00
Failure to submit rosters and/or game sheets if requested.	\$250.00

Any fine for failure to comply with the *Tournament Sanctioning Policy* will be invoiced to the tournament organizer following submission of the final report and must be paid before December 31st of the year in which the tournament took place. Failure to pay fines in a timely manner may result in the loss of sanctioning for future tournaments.

1.7 SSA Non-member Soccer Instructional Program Endorsement Policy

1.7.1 Saskatchewan Soccer Association (SSA) is the governing body for soccer in Saskatchewan. In this role, SSA is entrusted by the statutes of FIFA and the constitution of Canada Soccer with the mandate of governing, fostering, developing and promoting soccer in Saskatchewan. As an organization, SSA is committed to Canada Soccer’s Long Term Player Development (LTPD) model, Wellness to World Cup (W2WC). The underlying principles of LTPD are based heavily on providing developmentally appropriate sport through a player-centred approach. These principles commit SSA to ensuring that all soccer activities taking place in Saskatchewan, including Soccer Instructional Programs (SIPs), place the development, safety, enjoyment and well-being of the individual participant above all else.

1.7.2 **All SIPs operated by SSA Non-Member organizations within Saskatchewan must be endorsed by the SSA.** The following policy and procedures apply to the endorsement of all SIPs in Saskatchewan and have been designed to ensure that these programs meet a minimum standard of quality.

1.7.3 What is a Non-Member Soccer Instructional Program?

A non-member SIP refers to any organized soccer event or series of events, delivered outside of SSA member structure (i.e. Regular, Associate or entity members), whose primary function is to teach the game of soccer or soccer-related activities. Non-Member SIPs include, but are not limited to, soccer camps, schools, clinics and development programs delivered by non-member organizations.

1.7.4 Why does SSA endorse Soccer Instructional Programs?

Endorsement ensures that the SIP meets SSA’s minimum standards for operation in areas such as facility quality, participant safety, insurance, technical expertise of coaching staff and volunteer/employee screening. These standards are designed to ensure participants can expect a program of reasonable quality. While providers that are not endorsed by SSA may provide programming of a high standard, these programs have not been reviewed by SSA and quality cannot be assured. As such, if SSA Member Organizations or entities are looking to hire external groups to deliver programming, these groups must be endorsed by SSA. In addition, SSA participant members (i.e. players, coaches and officials) are strongly encouraged to participate only in endorsed SIPs, as these programs have been reviewed and meet the SSA standards for quality assurance.

**** Disclaimer: SSA insurance does not extend to participation in endorsed Non-Member SIPs. Members participating in an endorsed Non-Member SIP will not be covered through SSA insurance programs ****

- 1.7.5 A core value of SSA is that all participants should have the opportunity to participate in high quality, developmentally appropriate sport and we are committed to ensuring all organized soccer activities within Saskatchewan are aligned to this guiding principle. Through the endorsement process, SSA is better able to ensure SIP providers are also aligning their programs to these same principles.
- 1.7.6 What does Endorsement provide?
- a) Endorsement provides some security to participants by confirming that the SIP provider has met SSA's minimum standards. However, participants are not covered under SSA insurance while participating in SIP activities.
 - b) It also protects those SIP providers committed to delivering high standards of programming and separates them from those that have not been endorsed. In addition, SSA will promote endorsed SIP providers and their programming to the SSA membership through posting on the website at www.sasksoccer.com. SIPs that are not endorsed by SSA will not be promoted in any way.
 - c) Endorsement of a SIP provider does not bestow SSA membership or any of the privileges of membership. An SIP provider interested in pursuing membership within SSA should contact the SSA office for further information on this process and its requirements.

1.8 Process of Endorsement of Non-Member Soccer Instructional Programs (SIPs) in Saskatchewan:

- 1.8.1 SSA is the sole authority for the endorsement of SIPs within Saskatchewan.
- 1.8.2 All SIPs conducted in Saskatchewan by non-member organizations are required to be endorsed by SSA.
- 1.8.3 Non-member SIP providers apply for endorsement by completing the SSA non-member soccer instructional program (SIP) endorsement form.

- 1.8.6 SIP provider endorsement is valid from the date of approval until September 30 of that year and must be renewed on an annual basis beginning on October 1 or 30 days prior to the start of the first program or event.
- 1.8.7 SSA will send a reminder of endorsement deadlines, along with the current SSA non-member SIP endorsement policy highlighting any changes from the previous year, to all endorsed SIP providers from the previous year by September 1.
- 1.8.8 Endorsement renewals may refer to previously submitted application documents but must include any changes or additions.
- 1.8.9 Endorsement of a specific program or event is valid only for that program or event.

- 1.8.10 SIP providers may apply to endorse multiple programs/events in a single application package; however, individual information is required for each event.
- 1.8.11 All SIP endorsement applications must be accompanied by the non-member SIP provider endorsement application fee.

- 1.8.14 The SIP provider endorsement application Fee includes the cost of endorsement of an initial program or event. Each additional program or event beyond the initial one will be subject to a non-member SIP program/event endorsement fee of \$25.00.
- 1.8.15 Applications for endorsement of SIP programs and events after the initial endorsement application should be made using the soccer instructional programming - endorsement application form.
- 1.8.16 Endorsement applications for subsequent programs or events must be submitted at least fifteen (15) business days prior to the start of the program or event.
- 1.8.17 Endorsement applications will not be accepted without the signatures of both the program operator and head coach indicating their agreement to abide by the *SIP Endorsement Policy*.
- 1.8.18 It is the responsibility of the applicant to ensure that all required documents are completed in their entirety, supporting documents and information provided as required and submitted within the required timeframe. Incomplete forms or those that are not accompanied by the required documentation will not be accepted.
- 1.8.19 Following review of the non-member SIP endorsement application, SSA will contact the applicant regarding any concerns, errors or omissions in the application.
- 1.8.20 Following review of a non-member SIP endorsement application, SSA will inform the Member Organization(s) where the SIP(s) will take place, if applicable.
- 1.8.21 SSA Member Organizations may provide feedback regarding the non-member SIP endorsement application but will not have the authority to approve or deny the application.

- 1.8.22 Upon approval of the non-member SIP endorsement application, a copy of the approved application will be sent to the applicant. The Member Organization(s) where the SIP(s) will take place will be informed of the approval, if applicable.
- 1.8.23 Upon approval of endorsement, SIP providers may begin full promotion of the SIP. Promotion of a SIP prior to endorsement is prohibited without permission of SSA and may result in disciplinary sanctions.
 - a) In recognizing that SIP providers may wish to begin promotion more than 10 months before the start of the SIP, permission may be granted by SSA for limited SIP promotion prior to endorsement. Contact SSA for additional information or to request permission to promote a SIP prior to endorsement.
- 1.8.24 Upon approval of endorsement, information on the SIP provider will be posted on the SSA website. Additional information on SIP programs and events may also be posted and distributed to SSA membership at the request of the SIP provider.
- 1.8.25 Endorsed non-member SIPs may be subject to onsite visitation by SSA staff to confirm compliance.
- 1.8.26 SSA shall not be held responsible for any financial losses incurred by the SIP provider in delivering and/or operating an endorsed SIP.
