### **Annual General Meeting – Executive Director’s Report December 12<sup>th</sup>, 2017**

Thank you all for coming tonight. Your support of adult soccer is appreciated. We have received a lot of feedback over the last year, and encourage this to continue as they both help improve the quality of our service and our league.

A review of our past year includes another change in the office as Daniel Kelly joined the team as our Operations Coordinator. He has been a tremendous asset to our office and league, and we are very happy to have him. Steven Schmidt has also joined the team again while I am away. We are grateful for his return, and to Rebecca for her continued dedication to us and the league.

Once again, I must quickly acknowledge our board. This year more than ever as we won the bid, and are hosting the 2018 Toyota National Championship. We anticipate a busy year, and their time, effort, and expertise is priceless.

As far as the last year, we had struggles with Goalline and PayPal but will continue to try to make the registration procedure and website pages as flawless as possible. Unfortunately, our attempt to ease our players access to our office was unsuccessful, and therefore the weekly open late night has been cancelled due to lack of use from the players. We will continue to attempt different things to ensure our members our getting the best service possible. So, as previously mentioned, please continue to offer your feedback and suggestions.

This year we worked closely with the SYS and the SDSRAI to come to an agreement between our associations. We look forward to a continued relationship with both associations.

Also, we intend to continue to maintain our transparency, and update our information to our website as readily as it is available. Our players have constant access to all of our rules and protocols, and this way they can be informed and aware of everything SAS at all times.

Thank you again to everyone in attendance, and throughout our league. I look forward to hearing from you!

Merry Christmas! Have a wonderful year!

Danielle Zimmer  
Executive Director  
Saskatoon Adult Soccer Inc.
