### **Annual General Meeting – President’s Report December 12<sup>th</sup>, 2017**

Welcome to the SAS AGM. 2017 has been another busy and exciting year for our association.

I would like to thank everyone from the SAS staff, board of directors, players, officials and soccer centre staff in a fun and positive 2017 soccer year.

Looking forward, the 2018 year is looking to be very exhilarating, and should be a very encouraging year for the growth of our association. The 2018 Senior Club Nationals taking place here in Saskatoon is great exposure for the game of soccer in Saskatoon. As is the possibility of the new professional league, and we anticipate a positive outcome to both.

With these opportunities in our future we will again be looking to you, the membership, for assistance in volunteering to make these a success, and continue to show everyone why both Saskatoon and Saskatoon Soccer are great communities to be part of. I am feeling very confident that the 2018 Senior Nationals will be an event that will make the of soccer communities in Canada jealous.

In observing our membership, we are seeing a change demographically, and the leagues like Masters and Classics are seeing bit of a resurgence. This makes these divisions once again more competitive. We are still struggling a little in our higher divisions and hopefully with the encouraging 2018 year ahead we will some growth in these areas.

I would like to again thank everyone involved in SAS soccer for a very good year. I wish you all safe and happy holiday season.

Sincerely,

Gord Quinlan  
President SAS
