TEAM SELECTION

Team selection into the SUSC Indoor tournament and player eligibility is at the sole discretion of the Tournament Committee. To make Divisions viable, age groups may be combined based on similar competition (for instance U13 Division 1 and U15 Division 2) at the sole discretion of the tournament committee. This is to provide playing opportunity for as many teams as possible. Should a team not be agreeable to this, they will be considered as withdrawing after the deadline and will forfeit their registration fee. Divisions that have less than three registered teams following the registration deadline will be cancelled and teams will be advised of non-acceptance. For age groupings/divisions in which the tournament committee deems the number of registered teams to be unmanageable, the following principle will be adhered to:

- Division 1 teams who elect to enter an age group above, in Division 2 will be not accepted.
- The last teams to register will not be accepted.
