- NCCP Comp Dev, certified
- CSA Learning Facilitator and Coach Educator, certified
- CSA Coach Evaluator, trained

Personal Background & Pathway into Coaching:

Hassan was born in Casablanca, Morocco, into a passionate soccer family, and has played soccer for as long as he can remember. He played at his local club as a senior player but never achieved his dream of playing for Wydad Casablanca. Hassan loves soccer in all forms but started taking his coaching seriously after joining Eastside, working closely with Eastside Technical Director Mike Gramiak.

Coaching Experience:

Hassan started to take his coaching seriously when he joined Eastside Youth Soccer Association (EYSA), and from there, he went to finish his C and B licenses, and coached with the Whitecaps Academy and SSA Regional Excellence Program (REX). Hassan was the first ever Technical Director for the Valley Soccer Association (VSA) and managed to transform VSA into a thriving soccer organization.

Coaching Philosophy:

Hassan's coaching philosophy is **to be the best at any level, and he** firmly believes players will always try their best. We, as coaches, have to provide a safe and fun environment for them to reach the level of potential they might not see for themselves.
