Re: COVID-19 Third Positive Case – Oct 27

Dear Saskatoon Youth Soccer Inc. (SYSI) Participants,

This email is a general email to all SYSI participants to inform our membership that a third case of COVID-19 has been diagnosed within the SYSI League. **Those in the affected mini league have been notified with an additional email specific to them. If you do not receive a specific email to your mini league your mini league has not been affected. A reminder that the facility undertook an extensive deep cleaning once receiving notification of the positive cases. None of the participants from the affected mini leagues have participated in any soccer activities since and the three cases have resulted in the shutdown of two mini leagues for 14 days.** To protect the privacy of the individuals, we will not release any personal information, and ask that you respect the privacy of others. We are working closely with the Public Health Authority (SHA) to ensure all necessary measures are in place to protect all participants. COVID-19 is transmitted from person to person large droplets, though a sneeze or cough for example.

Individuals who were in the Saskatoon Sports Centre on Wed Oct 21st from 5:00 PM – 6:45 PM should self-monitor for 14 days and the risk of exposure to anyone not considered a close contact is low. For those who have been in **close contact** with the cases the SHA will contact you directly and provide direction. We remind all those who will be attending soccer functions to monitor for any signs/symptoms of COVID-19 and remind you that all members are obligated to not attend events in any capacity if they have any symptoms, feeling ill, or has been in contact with someone who is ill. Please refer to the **COVID Screening Checklist located in Section 8.0** in the [Saskatoon Youth Soccer Return to Soccer Plan](#).

If you or your child has any symptoms of COVID-19, please call the Healthline at 811, and remain home. If you require medical attention, please call ahead to your health care provider. If it is an emergency requiring immediate attention please call **911**.

We will continue to provide additional updates to parents/caregivers as it becomes available. For further information on COVID-19 please contact the Healthline at 811 and/or visit the Saskatchewan Ministry of Health Website at [www.saskatchewan.ca/covid19](http://www.saskatchewan.ca/covid19).

An information sheet about COVID-19 from the Public Health Agency of Canada can be found here: <https://www.canada.ca/en/public-health/services/publications/diseases-conditions/about-coronavirus-disease-covid-19.html>.

For more information about self-monitoring can be found here: <https://www.saskatchewan.ca/government/health-care-administration-and-provider-resources/treatment-procedures-and-guidelines/emerging-public-health-issues/2019-novel-coronavirus/self-monitoring>.

Sincerely,

Saskatoon Youth Soccer Inc.
