

# Memo

**To:** SYSI Players Born in 2004, 2005, and 2006  
**From:** SYSI Office  
**Date:** Fri Jan 14, 2022  
**Re:** **Canada Summer Games – Players Born 2004, 2005, 2006**

---

Dear parents and caregivers:

We wish to make you aware of the following player selection opportunity for the Canada Summer Games for those born in 2004, 2005, and 2006.

## Registration

SSA is happy to announce the opening of registration for the Identification Events for Team Sask Canada Games Soccer Teams. There are no restrictions to players registering, with the exception of age (2007 and younger will need special permission for safety reasons) and that they must be registered with an SSA Member Organisation.

Registration was opened as of Saturday December 11th at 9am and will remain open until March 1st, 2022, at 11:59pm. To register, please click the link below.

## Coaching Staff

Yesterday, after completing the application process, selection process and safe sport onboarding, we are happy to announce our official Coaching Staff for both male and female programs. The staff graphics are both below and attached to this email. Please feel free to share this with your membership.

## Information Package

Before registration, please make sure your athletes are familiar with the Saskatchewan Soccer Canada Games Information Package, which can be found [HERE](#). This document includes all the relevant information for an athlete who would like to register for the ID Events and be a part of Team Sask.

## CSG Weekends & PSL Conflicts

Octavian and I have worked very hard to arrange the dates for the CSG ID Weekends and CSG Training Camp Weekends that have as minimal disruption on Provincials and the PSL as possible. This should mean that players will not have to miss many, if any, PSL games if selected to a CSG roster. Playing in the

PSL will have no bearing on CSG registration, and as per usual, we will encourage players to play in the PSL.

### **ID Weekend Attendance**

There are 3 ID Weekends, each with sessions on Saturday and Sunday, totalling 6 ID sessions. Players are expected to attend all 6 sessions for the best chance of selection. Although this is not mandatory, they will be expected to inform the Head Coaches if they miss ID sessions and provide a reason. Reasonable reasons such, as medical issues etc. will be fine. However, not attending because players do not want to travel may have a bearing on the final selection. However, we will emphasize that this will be considered on a case by case basis and talking with the Head Coach is the best way to discuss any potential issues. There should be no conflict with PSL or Provincial weekends, minimizing any disruption to Member Organisation schedules.

All of this information and the official schedule for these weekends will be sent out shortly after registration is completed, and we know the final numbers of athletes.

### **Adam Miller**
