Re: **City League Players – Permitting to Alliance League**

Saskatoon Youth Soccer Inc. has adopted the following rule for the SYSI Indoor 2022-23 season:

City League players, who are playing up in age group due to there not being enough players for a Zone to field a City team in their age group, have been granted special permission to permit a maximum of three times to the Alliance League age group they are deemed age-eligible for.

For example, a U15 eligible player who was placed on the U17 City League team due to their Zone not having enough players to field a U15 City League team, may permit to U15 Alliance A or B to a maximum of three times in the season.
