## **RE: U17B – U19B Alliance League**

For the 2023-2024 Indoor Season, the Under 17-Under 19 Boys Alliance teams will play one even round, with games counting in the standings for all teams. This will consist of 7 games for each team and will take everyone until the middle of December. At that time, SYSI will evaluate the standings and make a determination if the 8 teams are to stay in one pool for the full season, or if they need to be split into smaller pools for the balance of the year.

Currently, there are exhibition games assigned for Dec 20-21, 2023 and Jan 10-11, 2024. These will remain exhibition if it is determined all eight teams will remain in one pool to achieve two even rounds for standings.

If anyone has any questions or concerns, please feel free to contact the office.

Sincerely,

Saskatoon Youth Soccer Inc.
