Good afternoon Saskatoon Youth Soccer Participants,

Saskatoon Youth Soccer would like to remind all team personnel, players, and spectators of the importance of following the guidelines laid out in the [SYSI Return to Soccer Plan](#).

No team personnel, players or spectators should be arriving more than **10 minutes** prior to their scheduled game or training time. Upon entry into the building the appropriate team personnel and players are to head to their green room. Spectators and team personnel not on the bench, are to head directly upstairs to the designated spectating areas. **Mingling in the lobby is not permitted.** At the conclusion of the scheduled game or training, we ask that everyone vacate the building within **5 minutes**. Teams wishing to do a debrief following a game are encouraged to hold a team meeting outside, weather permitting, or by Zoom or an alternate online option.

SYSI would also like to remind everyone of the necessity to maintain social distancing when possible within the Soccer Centers and to wear a properly fitting mask.

SYSI understands that these are challenging times that we are all facing. We greatly appreciate everyone's efforts of following the rules and guidelines to help keep our kids on the pitch!

Regards,

Jordan Paul  
SYSI Administrator
