### U11 ALLIANCE ACADEMY PROGRAMMING

The Under 11 is taking a new approach to this year's indoor academy; one which will open up participation to more athletes in this age category. In prior years, the U11 academy was held on weekdays at 4 pm, in order to best compliment zone programming. The feedback we received was that these times were a barrier for athletes who would otherwise participate in the academy.

We listened.

The new format will see four (4) weekend sessions for both the boys and girls throughout the season with aims of exposing more athletes to what the Alliance is all about! These sessions will see zone technical directors and U11 Alliance League coaches work with the athletes to deliver high quality complimentary training true to the vision and tenets of what the Alliance has offered in the past. We can't wait to see more athletes join us in their soccer journey!
