

Safety Action Plan for SYSI

SYSI Safety Officer (will work closely with appropriate authorities if an outbreak were to occur)

- Jordan Paul – info@saskatoonyouthsoccer.ca or (306) 975-3413

Staff Contacts

- Amanda Probe – Executive Director – executivedirector@saskatoonyouthsoccer.ca
- Erin Fehr – Operations Coordinator – operations@saskatoonyouthsoccer.ca
- Dan Kelly – Programs Coordinator – programs@saskatoonyouthsoccer.ca
- Jordan Paul – Administrator – info@saskatoonyouthsoccer.ca

First Aid

- Parents on-site are to administer any minor first aid.
- Program leaders will call 9-1-1 in cases of an emergency.

Phase One Operations

Session Deployment

- Two sessions per day run for 4 days (Mon – Thurs) – one morning and one afternoon
- Two distinct coaches assigned per group, and will be responsible for set up, check in, transition, session delivery, and take down.
- 6 predetermined fields in the city of Saskatoon
 - Al Anderson Park – [131 Hampton Circle](#)
 - Rochdale Park – [Chitek Crescent](#)
 - Wallace Park – [Addison Road & Stensrud Road](#)
 - Meadowgreen Park - [2515 18th Street W](#)
 - Wildwood Park – [Beurling Crescent](#)
 - Blair Nelson Park - [Vic Boulevard](#)
- Individual areas for each player (10ft x 10ft) grid, with 2 meters maintained between each grid

Coach Responsibilities

- The coaches will act as an onsite safety officer, ensuring all safety protocols are met, including educating participants about the safety measures, and delivering an on-field safety orientation every day. They will be in close contact with the SYSI safety officer if serious injury or sickness occurs.
- Program coaches are responsible for taking equipment to a designated cleaning area after each session and cleaning the equipment.
- Each coaching team will be given a bag of equipment and are responsible for cleaning the equipment prior to each new session (daily).

- Separate entrance and exit to field to ensure social distancing. Parents not participating in the session will be asked to wait in their cars or be guided to the designated spectator area to remain physically/socially distant.
- All participants (players, parents, coaches, staff, volunteers, etc.) are encouraged to wear a mask where/when they can.
- Hand sanitizing is required before entering and exiting the field.
- Sanitizer stations will be set up at check in, the entrance, exit, and on field locations.
- Players/parents/coaches will be asked to not participate if they are not feeling well, or have been in contact with anyone quarantining or showing symptoms of Covid-19
- There will be a designated area next away from the field, marked with cones, in the case where someone becomes unwell during the training, coaches are asked to remain socially distant from the player and will ask the parents to join their child from the spectator, if they are not participating in the program with their child.
- The coaches will alert the parents for pick up and keep the player separated from the other players and will notify the SYSI safety officer.
- All equipment used during the training session will be sanitized before and after the session.
- All coaches will have reviewed the information sent out by the province as to understand and recognize Covid-19 symptoms

Safety Officer Responsibilities

- If someone does test positive for covid 19 that has been at training the safety officer will contact the Saskatoon Health Authority, advise all the parents of the players that were there for that session and cancel training for 2 weeks.
- The SYSI safety officer will also alert the City of Saskatoon of the field/location where a sick individual had been taking part in a session.
- The SYSI Safety Officer will notify Saskatchewan Soccer Association.
- Before resuming training, we will sanitize everything again and just go over the protocols again with the coaches.
