

# Memo

**To:** SYSI League  
**From:** SYSI Office  
**Date:** Fri Apr 21  
**Re:** **Lateral Permitting in U11 and U13 Alliance B Divisions**

---

We are writing to inform you a change for the Outdoor 2023 U11 and U13 Alliance Boys and Girls B Divisions.

For the Outdoor 2023 season only, U11 and U13 Alliance B divisions can use lateral permits from their home zone for regular league games (not playoffs) to a maximum of two lateral permits per team per game. When laterally permitting, indicate the lateral permit with a "LP" and any other permit payers with a "P" as there are only two lateral permit players allowed per game.

Please note for age groups that have multiple pools, that lateral permitting is within the pool not across pools. For example, if Zone X has two teams in U11 Boys B Pool 1 those teams can use lateral permits. Conversely, because these pools are tiered to provide the most meaningful competition possible, if Zone X has teams in U11 Boys B Pool 1 and 2. Players in Pool 1 could not permit into Pool 2, but players in Pool 2 could permit into pool 1.

All other permit rules shall apply for the Outdoor 2023 Season.

Regards,

Saskatoon Youth Soccer Inc.
