

SHOT CLOCK OPERATOR'S GUIDE

The shot clock will be reset as follows.

1. Change of possession.
2. The ring enters the net.
3. The ring contacts a goal post of the crossbar.
4. The ring contacts the goalkeeper or AGK within the goal crease.
5. The ring contacts the goalkeeper outside the goal crease and that contact prevents the ring from entering the net.

IF IN DOUBT, **DO NOT RESET**. The referee will signal you to reset.
