Steve Anderson – Assistant Coach

I have played hockey my entire life and having the opportunity to pass some of what I've learned is incredibly rewarding. I always look forward to the opportunity to lead, teach and coach kids while watching them develop skills as individuals and teams. I believe in a skills first structure, developing strong work ethics on and off the ice, all while having fun. I have enjoyed the opportunity to be either a head coach or assistant coach for the last 10 straight years with teams ranging from houseleague to AA. Our kids have played in Scarborough, Durham West, Pickering and Ajax hockey associations and have made great friendships throughout.
