

**Kelsey Bull –**

My name is Kelsey Bull and I am excited to be apart of the coaching staff for the Scarborough Sharks U15 BB team for the 2022-2023 season. I have spent many years in various roles within the organization, from my playing career, officiating, and a number of positions behind the bench. I've been extremely lucky to be able to coach along side some of the best female coaches in the OWHA when I was an assistant coach during the 2018 Ontario Summer Games where we lead our team to a Silver Medal finish.

When it comes to the game of hockey, I believe in fostering and maintaining positive working relationship with the players, parents, spectators and game officials throughout the season. Our goal is to have the girls build on they skills they already have while developing new skill sets to help in game scenarios, and continuing to keep the game fun and enjoyable for everyone.

Regards,
