

Mike Nadon
Scarborough Sharks
U15B

I am very excited to coach the U15B team for the 2023/24 season. I am a father of three and a teacher with the Toronto Catholic District School Board. Last year I coached the Sharks U13B team, and I couldn't be prouder of how much the team improved over the course of the year. I have been an assistant and head coach for the Sharks house league and DS since 2019. I have also been coaching volleyball and track and field at the elementary school level for the past 20 years.

I started playing hockey at the age of 5 with the Knights of Columbus House League. I moved on to play seven seasons of AA hockey in the MTHL. As a coach, I love passing on my passion and knowledge of the game.

Our team will focus on:

1. Creating a fun and safe environment
2. Hard work and skill development
3. Promoting self-confidence and respect for others
4. Striving to achieve team and personal goals

I look forward to answering any questions you may have. Please feel free to contact me at 416-357-2660 or mikenadon@hotmail.com
