

Sunshine Coast Minor Hockey Association Team Sponsorship Opportunity

The Sunshine Coast Minor Hockey Association is a non-profit organisation that helps provide positive hockey experiences to children and youth from across the Sunshine Coast. We believe that positive development begins when we are young, and that hockey has a role to play in fostering healthy and happy youth and in turn awesome young people and adults!

Our Association has excellent commitment through parents and volunteers but must rely on the generous business community to sustain our programs. In recent years SCMHA players have gone on to play in leagues in many different parts of the country and this would have not been possible without generous business owners like yourselves.

As a business owner in our community we would like to extend an invitation for you to sponsor a team in our association. Your contribution will go towards ensuring that the Association can continue to offer positive hockey experiences to youth on the Sunshine Coast at a reasonable cost.

Thank you for your consideration. If you have any questions or concerns please contact

Melissa Tripp, Ways and Means Director at: waysandmeans@scminorhockey.com.
