ABOUT US

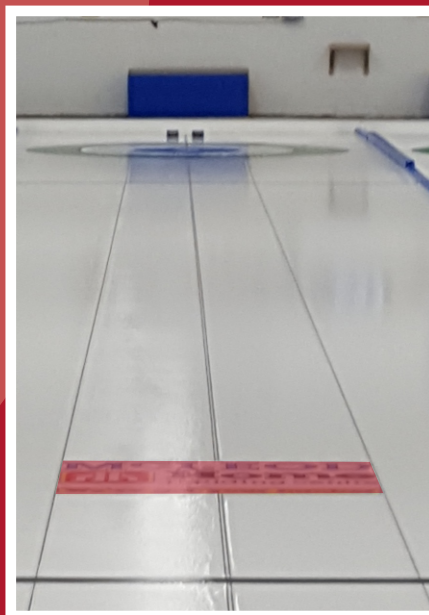

The Spruce Grove Curling Club has been a fixture in our community for over 50 years. Our non-profit organization in the heart of Spruce Grove has over 350 members from the tri-municipal area that curl weekly, and hundreds more on a drop-in basis.

The six sheet rink also hosts 8-10 weekend bonspiels per year that can draw 100-200 curlers and spectators each. Your ad will have the potential to reach over 600 people weekly with members, drop-ins and spectators. Your year-round signage also gives you exposure during summer city events and rentals such as the Life and Leisure Show.
