Please read carefully- Do not sign if you do not agree

I understand that the primary goal of minor sport is the development of the individual athlete's skills and character in a team setting. It is part of my job to teach the players how to accept a loss, as well as, a win in a sportsman like manner, and benefit from either. Winning itself is a secondary achievement and a "win at any cost" philosophy has no place in minor sports. I accept the responsibility to teach the players in my charge respect for their opponents, that that official's decisions are final and are not to be questioned except by designated players and in general, conduct themselves in sportsmen like manner. Each participant in my charge will be given equal opportunity and consideration in all situations and contests. I understand that as a coach I occupy a very special position of trust with these young athletes, and will do my best to set a positive example at all times. I also agree to abide by the rules and regulations of Shellbrook Minor Sports.

I also agree that if circumstances arise that may prevent me from helping on a team, it is my responsibility to attend and complete all coach certification clinics by January 10th of the hockey season as required by Saskatchewan Hockey Association. If any necessary certifications are not met, I agree to pay the applicable SHA Fine.
