Strathcona REP Update

November 14, 2021

Message from SPMHA General Manager - Brad Hunka

Good Afternoon SPMHA Members,

Just a brief reminder of the changes to the Restriction Exemptions Program that will be going into place as of Monday, November 15th.

As of tomorrow (Monday, November 15th) when entering any Strathcona County Recreation Facilities, your personal vaccine record with QR code will be the only accepted proof of vaccination. It can be printed or shown on a device, and must show both vaccines and your identifying information. Do not fold across the QR code. Print yours free, or phone 811, a local registry, the SC Library (780-410-8600) or Family and Community Services (780-464-4044) for help with printing.

As before, In County facilities, youth 12-17 participating in sport, performance or fitness activities do not require proof of exemption or vaccination. Adults 18 years or older as well as spectators that are 12 years old and up require ID as well as proof of exemption or vaccination.

For facilities in the City of Edmonton, ALL guests and participants ages 12 and older must provide proof of vaccination or documentation of a medical exemption or show proof of a negative COVID-19 test result.

For negative COVID test: You must use a privately-purchased rapid test or PCR test. These are available at pharmacies. AHS tests are not permitted. Tests provided by schools are AHS tests and not permitted.

For exemptions: Vaccination exemption letters must be signed by a nurse practitioner or physician. Religious exemptions are not permitted under provincial guidance.

Thanks for your continued cooperation,

Brad Hunka - General Manager
