

SPKAC 2022-23 PLAYER REGISTRATION

The Sherwood Park Kings Athletic Club is now accepting registrations for the 2022-2023 season. ***Please review all of the following document prior to registering:***

ONLINE REGISTRATION

SPKAC utilizes TeamSnap for registration and team management in coordination with Sherwood Park Minor Hockey. This allows for an efficient and unified registration and communication process, along with easier player and team management.

Hockey Canada members are asked to create a Hockey Canada Spordle account. This is where you will be able to obtain your Hockey Canada ID, which will be required during the new registration process.

TeamSnap

If you don't already have a TeamSnap account, you will need to create one. You will be prompted to do so when you click on the registration link. If you have previously registered with SPKAC or SPMHA in the last 2 years, the TeamSnap registration system will recognize you and pre-fill much of your registration info based on the player you are registering. Please double check that the information is still accurate for your player, and fill in any missing information.

The process and registration forms for Resident and Non-Resident players will differ, so please read through the sections below and follow the instructions based on your player's resident status.

All questions may be directed to general.manager@spmha.ab.ca

The family may then appeal the decision in writing to the SPMHA/SPKAC President within seven (7) days which, this appeal will then be heard at the earliest opportunity by an appeal committee.
