The AGM was extremely well attended. Thank you for your continued support.

There are still openings on the Titans board, please take a look and send any questions to you may have regarding volunteer duties for the positions. (titanswebpage@gmail.com)

Updates from the AGM: The Titans will be hosting earlier drop in dates, starting in Nov. Multiple “come try lacrosse” events are also being scheduled.

GELC is proposing a committee to investigate the possible creation of a Female League for the GELC area clubs. We will share any updates that we receive.

The GELC has decided that the 2019 season will be a similar format as last year for length and number of games for all divisions.

We are facing a challenge, and that is a lack of coaches. We have a few parents who have volunteered to be assistant coaches, but very few volunteers for head coach. This is a call out to both Moms and Dads.

If you're on the fence about becoming a coach, be assured that we can show you where to sign up for clinics and lots of resources to help with planning and running practices. Pick a friend and coach your kids' team together.

We ask that you please give this some consideration. It will be rewarding for you and really exciting for your own kids too! Any questions please email your director or the coaching director.
