

# TITANS LACROSSE

Sherwood Park Titans Minor Box Lacrosse Newsletter

July 2023

## Season Wrap-Up

It is hard to believe that another lacrosse season has come and gone!

Please don't forget to take time to complete two surveys to provide your feedback on your player's 2023 Season as well as your player's coaches. Both surveys will be open to receive feedback until July 21, 2023.

Look for details and communication in the fall for information about new season registration for 2024, pre-season drop-ins and new player "Come Try It" events.

Thank you to all of our players for all of your hard work put into the game of lacrosse this season. We are proud of each and every one of you!

We continue to extend a big round of applause and gratitude to the many volunteers who contributed their time and energy, in a variety of ways, to make this a successful season for our club.

In addition, thank you parents for continuing to support your player and our club. None of this would be possible without each and every one of you coming together for our children.

We hope everyone had a great season and we look forward to seeing you again in 2023!

## Coach & Volunteer Recognition

With the end of another lacrosse season, we know that the success of our club is greatly dependent on the huge commitment of time and energy that our coaches and volunteers put in. Without them, none of it would be possible.

At the Board of Directors final meeting of the season, we decided it is time we recognize one coach and one volunteer for their contributions.

We would like to encourage everyone to nominate either, one or both, if you felt that a specific coach or volunteer went over and above expectations. Most times the work done is thankless and without recognition, and this is a small way to acknowledge people for their contributions.

Nominations will be open until August 30, 2023 and award recipients will be announced at our AGM in the fall.

## Annual General Meeting

The Sherwood Park Titans AGM will be held in October 2023, the exact date is still yet to be determined.

Come and give us an hour of your time as this is a great way to learn more about our club. There will be a quick rundown of club business including our Treasurer and President's report.

We are always looking for new people to join the Titans Board and we will be sending out more details in the fall with regard to positions that are open and need to be filled on the board.

All attendees get to enter their name for a draw for one of three free registrations for next season! The names will be drawn at the AGM and you must be in attendance to win.

We will also be honouring our graduating players from U17 at the AGM with a special ceremony and reception. Graduating players, please look for more details and information to come!

We hope everyone had a great season of lacrosse. Have a wonderful summer and we hope to see you again in 2024!
