Sherwood Park Titans Minor Box Lacrosse Newsletter

June 2023

## Message from the President

Dear Titans Families,

It is hard to believe that another season is almost behind us. On behalf of the Titans Executive, I sincerely hope that you all have had a positive experience and will be returning with us next season.

That said, we are very well aware that there has been some significant struggles on many levels with the GELC - in particular around delays in schedules and their numerous mistakes. Our Titans Executive have been working diligently behind the scenes in an attempt to have the GELC support our club, unfortunately, to no avail.

Please be assured, we will continue to work on behalf of our membership to improve the lacrosse experience for our families.

We wish each and every one of our teams a successful playoff run - play hard, compete and show great sportsmanship. Enjoy every minute of the game, work hard, and don't be focused on the outcome. In the following years memories of games may fade, but lessons learned about hard work will stay with you. Be athletes, be great team mates ... and always be a proud Titan.

Yours in lacrosse,  
Karen Wellner  
President

## Jeremy Richardson Memorial Award

Congratulations to Zach, Titans U15-B1, on being the recipient of the annual Jeremy Richardson Memorial Award. Zach won this award for his leadership, team spirit and dedication to the game of lacrosse.

The award is in honour of Jeremy Richardson who was an amazing young man and fantastic teammate. He would come to practice, ready to be coached and work hard to achieve skills and fitness which made him stand out as a player. Jeremy was a leader.
