Team Shorts Update

Big thank you to our Registrar, Kim, and our head coaches who worked together to re-distribute all of the new shorts!

All players should now have their shorts for the season. If your player still does not have a new pair, please let your head coach know immediately.

Thank you all again for your patience as we worked through this unforeseen challenge - our Titans sure do look sharp in their new uniforms!

Titans Classic Tournament

We are excited to once again be hosting our tournament, June 3 - 5, 2022!

We do need volunteers to help make the tournament a success though!

All Titans teams 10U to 16U that are registered in the tournament should have received an important letter with details about your volunteer commitments. Click [here](#) to review the letter.

Meet our Interim Scheduler

This month we'd like to officially introduce you to Sarah Hanson. Sarah has most recently taken on the role as Interim Scheduler, but as most of our volunteer board members do, she takes care of so much more than scheduling! In fact, if something needs to be done, it's most often Sarah that volunteers to do it!

Sarah started her involvement with the Titans in 2014 as team treasurer, when her daughter played Novice, and they quickly became hooked as a family! She started volunteering every year after that and has been on the Titans Board in a variety of roles since 2015.

Even though Sarah's daughter has aged out of minor lacrosse, she knows that a big part of any sport are the volunteers which is why she continues to give so much back to the association. Her daughter, Brenna, is also volunteering now as a Junior Coach!

Sarah is a huge believer in showing appreciation for all volunteers and would like to send out a "huge shout out to Alyssa Peterson, volunteer Jr Goalie coach...she was the icing on the cake for Brenna to stick with the game! A few other favorite coaches who definitely encouraged her to play her best and were great volunteers: Pete O'Brien, Chuck Royer, Jim Fehr and Stu Jobb. Our years in lacrosse were definitely made better because of those volunteers!"

Thank you Sarah for continuing to give so much time, energy, guidance and wisdom to the entire association - we appreciate all that you do to help make our club better!
