

**HEY TITANS! We Have some news!**

**Position Required:**

***Want to help your awesome lacrosse club? We need a new volunteer for the position of the Equipment Director.***

This volunteer position needs no previous experience, just a volunteer who has some free time to help, with the main volunteer hours being at the beginning and end of the season!

Job duties include:

- Keeping an updated inventory of the equipment each season.
- Handing out jerseys, pines and equipment at beginning of season.
- Helping fit and provide the goalies with equipment and collecting at the end of the season.
- Sharing the storage unit with the merchandising volunteer and tournament volunteer.
- Helping with ordering new jerseys and equipment as needed.

**Fun Fact:** Did you know that along with sets of jerseys and sets of practice lacrosse balls for every age level, our Titans club is proud to be able to loan out goalie equipment for **every age** level. We have invested in multiple sets of goalie equipment to encourage growth of the goalies in our sport. We all know our season is a truly short one and the goalie equipment is very costly if you must size up every season. The Titans are fortunate to have this inventory and we appreciate all our volunteers' efforts each year at our tournament fundraiser that allows us to maintain this equipment.

**So please help us out in finding a volunteer for this position! Share this request and help get the word out we are looking for a new Equipment Manager!**
