For 2016 Birth year players, you will register for U12 spring ringette unless your player wishes to remain in the U10 Full ice group. We can make an exception - please reach out if needed.

Context: this is not a performance or development program, and there will be no scouts in the stands. Spring ringette grouping will not impact player placement next season. Please do not request that your player plays above their age group or ability level. If your player wishes to play with a younger birth year group (because they played with that group this season and they have friends in that group) please contact us. This is a scrimmage opportunity for **fun with friends** and some extra ice before spring sports start. The goal is a casual, positive, experience with max ring touches, laughs and bonding with friends.

NOTE: We will open this up to other associations on February 23, 2026. This will allow Park Ringette families first priority for registration - approx 25% of U10 Spring Ringette Registrations last season were from other associations.

Refunds:

Request must be received in writing by email to:
Registrar@sherwoodparkringette.ca

Partial refunds will be issued as follows:

- Before March 25 – 100% less \$25 Admin Fee
- After March 25 – Pro-rated less \$50 Admin Fee
