NOTE TO FAMILIES:

As we embark on another post- season program of Spring Ringette, it's essential to remember the primary purpose of this spring program: **FUN**.

While we all want our children to excel and achieve their best, it's crucial to maintain perspective and prioritize enjoyment. Youth sports are about fostering physical activity, teamwork, and personal growth in a supportive environment.

Please set a positive example for our young athletes by exhibiting good sportsmanship, encouraging their efforts, and refraining from complaints or negative behavior.

Remember, we are all volunteers, and this is meant to be simple, post-season fun. Together, let's ensure we create a space where our athletes can thrive, learn, and, most importantly, have fun.

Thank you!
