U19 Update June 2021

My name is Kari Reintjes and I am the director for U19.

SPRA has been and continues to review all of the guidelines and return to play information released by Ringette Canada, Ringette Alberta, Alberta Health Services, and Strathcona County, and we are committed as an Executive to ensuring that our Association follows all of the recommendations put forward, which as we have learned, means making adjustments as we proceed forward.

We don't know yet what our evaluation process and schedule will look like yet. We will keep you apprised as the season gets closer. In the meantime, **REGISTER NOW** – <https://sherwoodparkringette.ca>.

U19 Birth Years 2003 - 2005: \$150 Fundraising Fee + \$775 Registration Fee = \$925

We are still in the process of setting dates for the warm-up/pre-skate (not mandatory), and evaluation dates. As in previous years there will likely be skates on the September long weekend. We will get the dates out to you as soon as possible!

COACHING

We are always in need of coaches. Each team requires at least one head coach and one assistant coach. Ringette requires at least one certified female to be on the bench or ice at all times. All coaches and bench staff need the appropriate certification based on the division/level they are coaching and their role. A current Criminal Record Check will also be required.

The cost of coaching clinics is reimbursed by SPRA. Check the website for upcoming courses and get certified. Contact the Director of Coach Development for more information.

PLAYER REQUESTS

You are not able to submit a player request for U16.

Please have a look at the **SPRA Parent Handbook**. This document can help answer any questions you may have.

As always, if you have any questions or concerns, please contact me.

Thank you and looking forward to a great U19 season!
