Date:

To all current / prospective coaches, assistant coaches and team managers:

The Board of Directors of the Sherwood Park District Soccer Association is accountable to its membership, and as the program grows, so does the accountability. The soccer programs the SPDSA is mandated to provide are specifically youth oriented. The accountability therefore becomes high profile.

To parallel other minor sports associations (similar in size and growth potential), the SPDSA board has decided to request that all volunteer team officials provide a criminal records clearance check prior to being assigned a team.

Fully realizing that these are volunteer positions, we are requesting your full cooperation.

Please provide this letter to the Sherwood Park RCMP detachment to receive your CRC.

The Sherwood Park District Soccer Association requests that the holder of this letter _____ have a police record check performed in order to fulfill his/her position as outlined above.

PLEASE NOTE: The SPDSA requires that the results of the Vulnerable Sector Check, must be Negative. If a possible match is found, fingerprints must be completed.

A handwritten signature in black ink, appearing to read 'David Friesen'.

David Friesen
President
Sherwood Park District Soccer Association
