

U11 Outdoor 2022 Program Outline

FOR WHO?

Players Born January 1, 2011 to December 31, 2012 (Gender Specific play)

Players born 2011 & 2012 must play in this age group unless exceptional circumstances are determined by the Technical Staff

PHILOSOPHY

This is the “golden age of learning” when children become less self-centered and are more able to reflect on their actions and learn from their mistakes. This provides an optimal window for further development of individual skills.

The focus at this stage is on learning by doing, enhancing ball mastery, and learning the basic techniques and principles of play in a fun and challenging environment.

Players are becoming more aware of how to interact with teammates. The idea of thinking about their decisions and movement as being related to themselves and 1 or 2 teammates and 2 or 3 opponents can be developed upon. Focus is on 1v1 to 3v3 situations.

The goal is to provide training and game environments that promote the continued growth of ball mastery, an increased game awareness, and an appreciation for taking calculated risks in the attack through 3v3 to 8v8 (U11) game model, all in an environment that the players enjoy. The sessions will be focused between fun and practicing the 8 V 8 game. All players will have equal playing time and will have an opportunity to play all positions equally. The environment will be positive and the emphasis on fun and development.

COACHING

Volunteer coaches are appointed for the season and are supported on a regular basis by the SPDSA Technical Department. Head coaches will receive a \$100 credit towards their child's registration, upon submission of required team information, a valid Criminal Record Check and equipment returned to the SPDSA by the specified deadlines. Only one head coach per team is eligible for the credit.

All head coaches and assistant coaches are required to complete the MANDATORY online Respect in Sports training. If you have one from another sport and was completed within the last 5 years, there is no need to redo the training. Please contact our office for the link to complete the RIS training and once complete, please email a PDF copy of your RIS Certificate to our office at office@spdsa.net There is NO CHARGE for our members and fees are covered by the SPDSA.

In-service coaching workshops will be held before and during the season.

PROGRAM STRUCTURE CONTD

Game management

- No Scores and Standings are kept at the U11 level
- Equal playing time for all players.
- Don't focus on positions. Players should learn the game based on principles of the game rather than positions on the field. Players' decisions on the field should be based on what makes sense to them in the game. Let the players experience different positions and the different challenges that these positions create.
- Warm Up - all players with a ball, moving, ball mastery.
- Manage the amount of coaching during the game. "Let them play". Encourage creativity. Don't punish mistakes. Don't referee. Encourage both teams play.
- Promote soccer that is free flowing, is coach-guided but not coach directed, and demands that all players on the field, regardless of their specified position, participate in defending and attacking.

The SPDSA is committed to providing a fair and equally balanced recreational league for all participants. Each year we get an increasing number of requests for player placements due to various reasons. This has put an enormous number of tasks on our volunteers and staff—some of these requests imbalance teams and some lopsided scores in games, which does not help anyone. The Community League is for development, fun and competition, but to have fun and have games, we need teams, and if players experience unpleasant conditions, they do not want to come back.

To achieve balanced teams, we have implemented the following team formation guidelines.

FRIEND REQUESTS

- We do not allow full or partial teams to register.
- One reciprocal friend request per player may be submitted upon registration.
 - While we do our best to accommodate player requests, they are not guaranteed. The top priority at the start of the season is to create balanced teams for each age group. Requests that prevent this from being achieved will not be accommodated.
 - If more than one friend is requested, only the first name listed will be considered.
 - Players cannot request coaches. No exceptions.
- Volunteer coaches will have their own child on their team.
- We cannot switch children to a different team once formed due to the many moving parts and many special requests.
- Two coaches wishing to coach together will be permitted. However, no friend requests will be honoured, and the co-coach request will be considered the player request.
- Friend Requests submitted after the Regular Registration deadline will not be honoured.

COMMITMENT LEVEL

The community program does not entail the same level of commitment as our Phoenix program; however, players that sign-up are expected to participate in most games and practices. Team rosters are sized to maximize playing time; as a result, non-attendance will have an impact on the whole team.
