Good afternoon

Our office has received a few emails and calls asking about Assessments this week. ALL assessments are postponed until further information is received from Canada Soccer. Please keep an eye on our website, social media and your email for updates on when assessments will be held.

As mentioned last week, all players in U9, U10 and U11 will be placed on a team and our technical staff are working on making the teams and assigning the players. Once we can get onto the field, we may look at a few games to balance the teams prior to finalizing the rosters.

For players in U12 to U17, once we have been given the go ahead to have assessments, they will be held as they have been in the past.

Payment for fees at the U9, U10 and U11 age groups, will be processed as scheduled. Future payments for those registered in U12 to U17, will be deferred and processed once assessments have been completed. New payment arrangements will be set up once we have more information on when we can resume soccer activities.

I would also like to mention that our office will be CLOSED to the public until further notice. Our staff will be working as usual and continue to prepare for the upcoming Outdoor Season and will be accessible via email and phone during the normal office hours.

I understand that there are many concerns due to the COVID-19, and we appreciate your continued patience while we all get through the next few weeks. If at anytime you have questions or concerns, please feel free to contact myself or any of our staff.

Stay safe!
