Good afternoon parents

The SPDSA has partnered with Alberta Soccer (ASA) to bring you a 4 – part series of information forums with John Clubb (Manager of Grassroots Development). We encourage as many parents to take part in these sessions as possible. The sessions will show the direction the ASA and SPDSA are headed, as it relates to developing soccer players and how it lines up with the SPDSA designation as a National Youth Club Licence holder. Thank you to those that participated in the 1st session.

Next Tuesday May 26 - is the next session - **"The Preferred Training Model - is a community development program for players, coaches and parents."**

Below are all the sessions, dates and times. If your interested in attending one or all of these sessions please e-mail jclubb@albertasoccer.com to register and get an attendance link. Please note that each session is limited to the number of participants, so it will be first come first serve.
