## 2023 Board of Directors Report

<b>Name</b>	Lisa Parkes
<b>Date</b>	Wednesday, September 27, 2023
<b>Board Position</b>	President

### Committees and Work/Task Groups Served and Activity

In terms of Committee work, a primary focus this year was getting our Governance Committee up and running. We now have a strong group in place with a good range of experience in governance-related jobs and volunteer roles. Our group is heading into its second meeting and is looking to dive into the work ahead of it.

I also met recently with the Chair of our Hall of Fame Committee, Jackie Dugger, and look forward to working with Jackie and the rest of the Committee to continue to honour those most deserving in our sport.

### Events Attended on Behalf of Softball BC with General Comments and Observations

I was fortunate this past season to attend a number of championships on both the Island, where I live, and the Lower Mainland. Over the course of the summer, I was at the U15B Provincials, the U19B Provincials, the U19A Provincials, the U19A Nationals, the Men's and Masters Nationals, and Canada Cup. I was also fortunate to experience these events from multiple perspectives: as a Board Rep, a Host, and a parent/observer. I found all of these events to be incredibly well-run and speaking for Provincials, I was impressed with how well our host groups and Softball BC representatives worked together to put on amazing events.

I continue to act as Tournament Director for Langford Fastball, my home association, and also enjoyed hosting Softball BC-sanctioned tournaments for U13, U15, and U17 C and B teams from around the Province.

### Additional Information

I have thoroughly enjoyed my first full year in the President's role. With such a large geographical area, it is not always easy to get together with people from all parts of the Province, but I feel like this past season has given me a good start.

It has also been a pleasure working with our current Board. I feel it is important to have and be able to respectfully express different opinions in a Board environment, and then to come together at the end of the day to make good decisions for the sport, and I believe we are doing that.

### Key Areas of Focus for 2024

As we move into 2024, I want to continue to listen to feedback from our members and to ensure that we are doing the best job we can for them. We won't always be able to make all changes people request or solve every issue to people's 100% satisfaction, but if we don't hear about problems and challenges, we can't help fix them. I also want Softball BC, as an organization, to continue to build on the strides we've made in the men's and women's fastball and slopitch areas, and to work at always improving the experience of our minor players, and our coaches and officials. I look forward to the chance to gather with all of our volunteers and district representatives at the AGM, and to meeting and talking about our great game with many more of you over the next year of my term.

## 2023 Board of Directors Report

<b>Name</b>	Al Groff
<b>Date</b>	Saturday, October 7, 2023
<b>Board Position</b>	Men's and Women's Director

### Committees and Work/Task Groups Served and Activity

Slo Pitch Work Group  
Elite Women's Tournament Group  
Umpire Respect Group

### Events Attended on Behalf of Softball BC with General Comments and Observations

Additional Rep for C and D Women's Provincial in Langley

- not a perfect host crew but the teams and players had great competition
- Umpires did a great job in very hot conditions.
- 10 teams in C and 5 teams in the D divisions

Rep for A Women's Provincial in Richmond

- best provincial in many years 7 teams competed and worked well with the 7 team U19A provincial
- strong team from Vancouver Island attended
- top umpires in the provincial
- great comments from participants and spectators

Additional Rep for Western Canadian Championships for U15 Girls

- backed up Scott Wheatley who stepped up for Minor Director as the WCSA Rep
- great competition and surprising results.

### Additional Information

Slo Pitch had amazing provincials for Men's and Women's Divisions with six and five teams respectively.

Men's Masters had 4 teams in their provincial.

Men's B and Men's Inter A had 6 and 5 teams respectively (few teams less due to the cost of hotels and Nationals being in the next week.)

Men's A used existing tournament to act as the provincial

Men's A Nationals hosted at SB City provided great softball.

Women's

Choosing date for A that the teams knew about in advance was key,

A went from 2 teams to 7 teams

Finding weekend when umpires available was key.

Inter A increased from 7 to 8 teams

B grew from 10 to 14 teams

probably the lower mainland location increased the C / D participation

C increased from 7 teams to 10 teams

D increased from 3 teams to 5 teams

### Key Areas of Focus for 2024

Retaining the teams in adult softball FP and SP with the new SBBC rates for adult teams registrations.

Many complaints received from teams, leagues and players.

Expand umpire respect player and coach commitment statements to all adult levels similar to slo-pitch last season.

Increase the number of adult teams in all divisions.

## 2023 Board of Directors Report

<b>Name</b>	Chad Bryden
<b>Date</b>	Monday, October 9, 2023
<b>Board Position</b>	Director of Coaching

### Committees and Work/Task Groups Served and Activity

Coaching

### Events Attended on Behalf of Softball BC with General Comments and Observations

I attended many Fastpitch Softball events this past 12 months. Canada Cup, U19A Provincials, U19A Nationals, U17B Provincials, Men's Nationals.

The game is great, and the young women are excelling and succeeding in life and sport.

### Additional Information

This past year was extremely busy for me as I continued to coach the Langford Lightning U19A team in addition to my other duties and work.

### Key Areas of Focus for 2024

Building the coaching ranks, increasing the membership at the young level, increasing the skill development coaching and game management coaching in our province.

## 2023 Board of Directors Report

<b>Name</b>	Scott Wheatley
<b>Date</b>	Monday, September 25, 2023
<b>Board Position</b>	Director-At-Large

### Committees and Work/Task Groups Served and Activity

Pro Rata Committee  
Awards  
Various discipline

### Events Attended on Behalf of Softball BC with General Comments and Observations

D8 District Playdowns  
U17B Provincials  
U15A Provinces  
U15 Western Canadian Championships

### Additional Information

As a province, we continue to dominate Westerns and Nationals, proving we are providing our minor members with great programming and opportunities. We still need to carry that forward toward building on Terri Boizard's hard work with our men's and women's divisions.

Greater emphasis needs to be focussed on getting more boys back in the game.

### Key Areas of Focus for 2024

As a group, we need to focus on building from the grassroots up. The more young ball players who are introduced to, and fall in love with the game, means more players available for elite teams, umpires, and long-term recreational players.

There are many opportunities to seek out additional revenues to make the above possible while keeping a sharp eye on our fiscal responsibilities.

## 2023 Board of Directors Report

<b>Name</b>	Susan Strafford
<b>Date</b>	Thursday, September 14, 2023
<b>Board Position</b>	Umpire in Chief

### Committees and Work/Task Groups Served and Activity

No committees this year.

### Events Attended on Behalf of Softball BC with General Comments and Observations

Umpired at the U19 Canadian Championships, umpired at the U19/Women's provincials, umpired at the Sr B/Int A women's provincial, supervised the Sr B/Int A men's provincial (even umpired a game), umpired 1 game at both the Women's SP and Men's SP. Visited provincials on weekends not working. Visited all lower mainland winter clinics.

### Additional Information

We continue to have an issue with an umpire shortage. Our total number has increased by 23% but the number of umpires under the age of 18 has increased from 57% to 65%. We hold steady at 19% for over 60. Out 18-60 year old umpires have dropped from 24% to 15%. This creates an issue when it comes to finding umpires for adult ball whether it be fast pitch, slo pitch or ortho.

### Key Areas of Focus for 2024

This is my last year as provincial UIC as I have decided to step down. I am not leaving softball but would like to put my energies to my passion (surprisingly it is rules). We will need to continue to recruit and retain umpires.

## Minor Director Report

The 2023 season saw increased membership in almost all districts and overall, we had over 1,000 more minor players than 2022 with 4 new associations coming on board.

There were four U11C Celebrations of Softball hosted this season with more teams attending than ever before in most areas. We had four U13C Regionals that all went ahead despite wildfires and road closures. A big thank you to Al Charlesworth, District 2 Minor Coordinator, Ted Legare, President of Port Alberni and all of the other associations in District 2 who stepped up to help with fields and volunteers to ensure that this event happened!

There were eleven female provincial championships held on Vancouver Island, in the lower mainland and in the Okanagan. The tremendous feedback from teams, coaches and players praised all the work done by the hosts and their wonderful volunteers. In late July, the Langford association on Vancouver Island hosted a successful U19 Canadian Championship with teams attending from all over Canada.

Spruce City Minor Boys hosted the male provincial championships in Prince George on July 28 to 30. There were wildfires threatening but the wind changed, and the event went off without a problem. Thank you to Stephanie Caplette, Andy Ferguson, the Spruce City Minor Boys executive, and Tyler Warren for creating a tremendous event for the teams.

Changes to the U11 category for Softball BC to recognize U11 Rep and U11 Community teams replaced the need for Super Mite teams that had been in place but not recognized for over 20 years.

The Minor Advisory Council (MAC) met 9 times since our 2022 AGM and worked on at least two dozen of motions that were put forward by the membership. The MAC passed seventeen motions and subsequently by the Board of Directors for inclusion in the 2023 Special Operating Rules. Since the 2023 season ended, the MAC has discussed over a dozen motions for the 2024 season. And more to come, I am sure!

I am always impressed by the many wonderful volunteers that we have in all areas of the province who are dedicated to the sport that we all love. In closing, I look forward to another exciting year of Softball in 2024!

Respectfully submitted,

Lavaughn Larson  
Minor Director

### Events Attended on Behalf of Softball BC with General Comments and Observations

2023 Boy's Provincials. We had 17 teams attend this year's Provincials that were held in Prince George. We had 6 U13 teams, 6 U15 teams and 5 U20 teams. The games were a resounding success.

### Highlights from within your District in 2023

The 2023 Boy's Provincials was a definite highlight but the year also saw an increase in registrations for a couple of the leagues. Most of the other leagues remained steady with their registration numbers.

### Goals within your District for 2024

To continue to grow the game on both the girls and boys side.

### Events Attended on Behalf of Softball BC with General Comments and Observations

District 13 sent several teams to the 2023 Boys Provincials this past season.

### Highlights from within your District in 2023

The number of registrations keeps increasing district wide.

### Goals within your District for 2024

The main goal is to continue to increase our registrations and to continue bringing the game to the smaller communities in the North. We are also looking towards increasing the number of local tournaments in the area.

Inter A and B Provincials- observed the host hold provincials at 2 different parks and both tournaments and ran very smooth.

### Highlights from within your District in 2023

District 1 had some new teams in both leagues as well as some new teams representing Victoria in provincials this year. We walked away with some very proud and well deserved medals in provincials as well. It was a good year and we look forward to continuing to grow the sport in our district

### Goals within your District for 2024

Continue to increase participation and have more crossover games between the 2 leagues.

### Events Attended on Behalf of Softball BC with General Comments and Observations

U13B Girls Provincial Championship in Richmond BC. Parent and coach conduct needs to be addressed. This definitely was a detriment to the experience for players and umpires.

U17B Girls Provincial Championship in Delta BC. Games not having a time limit is a problem. Seven inning games were taking over three hours at times. One medal game in the silver pool did not finish with a winner because both teams had a ferry to catch. The gold medal game in the championship bracket finally had its first pitch thrown at 7:45pm and final pitch thrown at 9:55pm. The medal ceremony was done in the dark because the city has a bylaw requiring the lights to go out by 10:15pm and the light automatically go out at that time.

### Highlights from within your District in 2023

In addition to hosting the U13B Girls Provincial Championships, District 5 also hosted the U19A and Sr. A Women's Provincial Championship, the Sr. B and Intermediate A Women's Provincial Championship, and the U15 Girls Western Canadian Championship.

The Cat Wheatley Memorial Tournament is always a highlight hosted by the RGSA in memory of a wonderful player and coach taken way too soon.

This year, it was an honour to also host the Kasandra Kaulius Memorial Tournament at Steveston-London Park in Richmond after a three year absence of this tournament. It was awesome to see a minor division in this tournament this year, something I don't remember from previous years at Softball City.

### Goals within your District for 2024

Communication with associations definitely is needing improvement. One association in particular only seems to engage in communication with me during the ramp up to start the season and get umpires trained and tea for the season.

<b>Name</b>	Diane MacPherson
<b>Date</b>	Wednesday, September 6, 2023
<b>Position</b>	Men's and Women's Coordinator
<b>District</b>	14

### Events Attended on Behalf of Softball BC with General Comments and Observations

This season I was honored to have been asked to be the SBBC Rep at the Women's C/D Provincials in Langley, as well as the Rep for the Women's Intermediate A/B Provincials in Richmond and most importantly to be one of the SBBC Rep for the Men's Intermediate A/B Provincials at Softball City. I also attended the Women's Elite A and U-19A Provincials in Richmond. All Provincials were well represented by teams from the Lower Mainland, Vancouver Island and Interior Regions. It is so great to see the men's teams flourishing again, and the Elite Women's teams growing as well. Everyone this year seemed to be extremely happy with what is being done for them to continue to grow.

### Highlights from within your District in 2023

District 14 had a Women's B team that played in a Provincial this season for the second year and showed that they were able to compete strongly with the rest of the teams in their classification. We had a good interlock season with the North Fraser Women's league, the Golden Ears Women's Fastball Assoc as well as, teams from Port Coquitlam and Coquitlam.

### Goals within your District for 2024

In 2024 I am going to continue to work hard with the Minor Association to increase the number of minor teams moving up to the Women's classifications. I will also continue to work on getting the boys program back up and running. After working with the men's teams for the past three years and previously coaching boys I am determined to help out our men's teams keep their sport alive. With no young players coming up our men's teams are going to age out and be lost. We can't let this happen. The same is true with our Women's teams if we don't keep these young players playing and moving up we won't have a Women's program either.

### Events Attended on Behalf of Softball BC with General Comments and Observations

In D6 we held the following, I helped or attended the D6 events. and tournaments. Associations are trying to host more tournaments. The ones held were done very well and look forward to 2024

Mothers Day tournament in POCO

CDC Canada Day Cup Burnaby

U11 Celebration of Softball

U9 Funboree in Coquitlam

U11 Tournament in New West

District Qualifiers 2023

Softball Canada Junior and Womens Teams Tryouts Coquitlam

North American Indigenous Games tryouts

### Highlights from within your District in 2023

Highlights were seeing New West host its first tournament in over 10 years. Supporting the 2 Indigenous Teams in tryouts and practices. Hosting Softball Canada.

One of our biggest achievements this year was with our umpires. We as a District decided to change the way we pay our umpires and using the Assignor app for scheduling, invoicing and rain outs. this allowed us to all share our umpires and resources. Instead of individual associations. Umpires got more choices and more work this way. It is by far one the best things we have done as a District. Taylor Assels lead the way and what a game changer this was for all involved. Kudos to our DUIC Tyler as well.

### Goals within your District for 2024

Goals for 2024, hosting more events and hopefully bringing a Provincial tournament over to D6 again.

Continuing and improving our association relations and working together as a team.

We plan on another awards night and continue to support our great volunteers in D6.

We have 5 all female Presidents in D6 and its a pleasure to work with them all.

Registration numbers are up and we will work to continue that trend with community events and getting more players interested in softball and growing the sport.

### Events Attended on Behalf of Softball BC with General Comments and Observations

Celebration of Softball and U13C Regionals Region 2 (D4,5,6,15)

U13C was a major success with teams participating from all districts.

This year there were much fewer teams participating in U11 Celebration of Softball as compared to last year.

### Highlights from within your District in 2023

We hosted many tournaments and had teams from both association in our district partake in provincials and regionals. Our older age U13B won gold in Provincials and has elected to jump to 15A. We placed 1 or 2nd in silver pool in U15B,17B and U17C.

### Goals within your District for 2024

To have fun and do a better job retaining players in the older age categories. Sadly, it looks like there will be no U19B in the 2024 season.

### Events Attended on Behalf of Softball BC with General Comments and Observations

District 9 Association meetings 4x per year. Gives the DUIC the opportunity to speak directly to Association representatives and receive information relevant to the recruitment and retention on Umpires in the District.

### Highlights from within your District in 2023

Recruited and trained another 10 new Umpires in the District to bring our numbers back to pre-COVID levels.

Softball BC Umpire Culture and Communication pilot project was implemented within the District to great success. Young, new umpires received the support of Senior crew members as well as from the Plate conference cards, making them more confident and reinforcing the message to Coaches about how we want participants to communicate with Umpires.

We had zero ejections or complaints to deal with in D9 this year with respect to Coaches or players violating the SBBC Coaches Code of Conduct and seemingly have retained 100% of new umpires in 2023 for the 2024 season.

We had 7 Umpires in the District attend National Championships as either a working Umpire or UIC/DUIC. Representation was at the U15 Girls, U19 Women's, U23 Men's, Women's, as well as the Men's and Master Men's Championships this year. 1 Umpire attended the U19 Women's Western Canadian Championship.

### Goals within your District for 2024

Transition seamlessly to Lucas Crosby as the new District 9 UIC.

Continue to rebuild the District Umpire numbers while working to retain the gains we have made post COVID.

Implement the next steps of the Umpire Culture and Communication project from Softball BC and to continue to prepare our Senior and Elite level Umpires to attend Softball Canada Championships and beyond.

## Events Attended on Behalf of Softball BC with General Comments and Observations

I am new to the position this September therefore didn't attend any events on behalf of Softball BC. Although I did attend many events within our District last year I plan on attending more moving forward.

### Highlights from within your District in 2023

#### Abbotsford Minor Fastball Association

##### Softball BC Hosted Events

- U19B Provincials
- U13C Regionals

##### Team Outcomes

- Outlaws 2011B (Emans) made it into the gold bracket at Provincials, a terrific accomplishment for a first-year team.
- Outlaws 2008B (Dickson) got to their first Provincials and competed hard for a four-place showing; they received a bid for the U15B Westerns in Richmond and also placed fourth.
- Outlaws 2009A (Wong) played competitively all season long and competed hard at Provincials but couldn't break past the round-robin.
- U17C Killer Bees (Trydel) won bronze in the silver bracket in a thrilling late-game comeback.
- Outlaws 2007B (Sharman) won the championship as a first-year team and placed third at the Canada Cup. Then, they went to Westerns and placed fourth. This fall, they will be elevated to A-ball since they won Provincials as a first-year team.
- Outlaws 2004/05B (Tomlinson) had a tough draw at Provincials but played competitively.
- U20C Abbotsford Rockies (Sache) enjoyed representing Abbotsford at the Provincials, finishing in the gold bracket with a tough draw but played their hearts out.

#### Chilliwack Minor Fastpitch Association

##### Softball BC Hosted Events

- U20C Provincials
- U11 Celebration of Softball

#### Langley Fastball Association

##### Softball BC Hosted Events – U13A Provincials and Women's C/D Provincials

- Overall, a very good year for our enrollment in number of players and teams put on the field.
- Our U7 program saw the most growth with a combined (Tue & Thu groups) of 21%.
- U17C dropped 8% but mostly due to the reformation of Xtreme 07, pulling some girls from house.
- That is balanced with a 27% increase in Rep B (restarting of Xtreme 07).
- Our umpire recruitment and retention showed positives, although we are still short on umpires and need

to continue to grow our pool as our association grows.

- Hosted three tournaments as well as Districts.
- Fielded three Women's Teams
- Fall Ball enrollment is HUGE! 325 kids on 24 teams across three house classifications!
- Piloted Umpire Communication and Collaboration Project
- Implemented Buddy Check for Jessie
- Bad year for vandalism - field damage & facilities

Many teams had success in Regionals, Provincials & Nationals:

- Xtreme 05 Bronze Provincials
- Fusion 08 Gold Provincials & Nationals
- Fusion 10 Gold Provincials
- LFA Tigers Gold in Gold Pool
- Stellar Jays Bronze at Region 3 U13C

North Langley Softball

-Nothing was reported-

## **Goals within your District for 2024**

Goals

- Abbotsford will be working on meeting their program needs with improved facilities. Along with developing an A-Ball Program and establishing a House Player Development Plan. Abbotsford recognizing an 11% growth from 2022 to 2023 with aims of increasing that by another 12% in 2024.
- Langley Fastball will be working with the Township of Langley on field upgrades. Along with continual focus on growth in all age classifications. Along with the need to replace several key volunteers who have retired this year. Also, will be working on a more developed conflict resolution process – player | parent | coach | umpire | executive.
- District wide we will be working on Umpire retention and increasing our number of registered Umpires.
- Overall promoting Softball to build all levels of the sport in the District.

### Events Attended on Behalf of Softball BC with General Comments and Observations

District 12 Umpire Clinic at UNBC in Prince George - well attended by local umpires both minor and adult. U15B Tournament and U15C Girls Provincial Championship in Kelowna. Boys provincial Championship in Prince George. John Cho Tournament in Prince George - Senior Men's, U23 Men's and Open Ladies divisions.

### Highlights from within your District in 2023

Very difficult year lacking sponsors, volunteers and umpires with a lot of enthusiasm by the few wanting to be involved and or wanting to play. I believe the recovery from Covid has begun but much more work to be done next year.

### Goals within your District for 2024

To get organized earlier in 2024 with Umpire Clinics in District 12.

### Events Attended on Behalf of Softball BC with General Comments and Observations

Districts - well attended but weather caused some games to be done at a later date, they also took place in rainy weather. Some coaches disagreed with playing in the rain for such an important game  
U17C provincials - great group of umpires, worked hard, had fun, left it all on the field

### Highlights from within your District in 2023

Umpire enrollment rose and had a great group of junior umpires.  
Successful winter clinics that were well attended by the new umpires.  
Do an umpire clinic to the academy players to find new recruits.

### Goals within your District for 2024

Increase junior umpire numbers - we are on a good path already with about 14 new umpires for next season  
Build up and mentor the next level of umpires  
Offer coach "umpire" clinics so they learn the rules of the game from the umpire perspective and the respect of the position.

For the 2023 Season, District 8 was very busy, holding the U11 Celebration of Softball in Chilliwack, the U13C Regionals in Abbotsford, District Playdowns in South Langley, the 20C Provincials in Chilliwack, the 19B Provincials in Abbotsford, and the 13A Provincials in South Langley.

### Highlights from within your District in 2023

District 8 was proudly represented by umpires at the following Canadian Championships: 17A Girls, 19A Women's, and Women's. Also we were represented at the following Western Championships: 15B Girls and 17B Girls.

District 8 aims to continue to develop the relationships between umpires and LSOs to aid in the recruitment and retention of umpires.

### Goals within your District for 2024

District 8 will continue to actively recruit and retain umpires and will continue having in-person training clinics to enhance the training process.

### Events Attended on Behalf of Softball BC with General Comments and Observations

U15B girls provincial was well run, with a great umpire crew.

U19 Ladies National Championship was exceptional, from the fields, to the organizing committee, the umpire crew and teams attending. BC teams and umpires showed very well and the tournament was an overall success.

### Highlights from within your District in 2023

District 1 had over 130 umpires register for 2023.

We hosted 2 provincials and a national championship.

We sent 3 umpires to attend national championships, one to U17 boys, one to U19 girls and one to the Senior Men's national.

### Goals within your District for 2024

To grow and maintain the umpire community in district 1, working with all of the associations within the district to train and support any person who would like to try umpiring.

Thank you to all who volunteered this season to ensure our minors had a great season.

### Highlights from within your District in 2023

There was alot going on in District 7 with the minors. Thank you to all the associations who hosted Provincials, Canada Cup, Jamborees etc.

Some highlights were:

Fury 04B - 1st BC Provincials, 2nd Westerns, 3rd Canada Cup

Fury 06A – 1st at USA Western Nationals, 2nd Dick’s Young Sluggers, 1st at Colorado 4th of July, 2nd Young Sluggers NW Classic, 2nd Alliance Fastpitch Super Cup & AFCS Qualifier, 1st Valley Invite 16U

Fury 07A – 2nd at USA Western Nationals

Fury 10A – 2nd Provincials Fury 07B – 2nd at Provincials, 1st Canada Cup – Gold Round

Renegades 05 (Palmer) gold in Provincials, Silver at Nationals

Renegades 06 (Smith) Bronze in Provincials

Renegades 08 (McMillan) Silver in Provincials

Renegades 10 (Dhaliwal) Bronze in Provincials

Storm 06A (Riske) Silver in Provincials, Bronze at Nationals

We would like to extend our sincerest thanks and utmost gratitude to Mark Riske for all the dedication, mentoring and volunteering he has done over the years to our sport. Wishing him all the best in his retirement.

### Goals within your District for 2024

Looking forward to trying to build on the boys program. Fleetwood is the host center for all the boys registering within the District and look forward to promoting the Men's ISCs.

Thank you to all who volunteered in hosting and working hard to make sure all our events took place.

### Highlights from within your District in 2023

District 7 had a very exciting season with Softball City Hosting the Men's Provincial Championships and the Men's Canadians. Also hosting the Canada Cup Women's International tournament, which is always a highlight of the season. It was wonderful to see men & women playing at such a high level right here in Surrey.

Equally exciting were our local teams competing in their championships; with Storm (Riske) winning Gold in Women's A Provincials, Storm (Herdman) winning Gold in Women's B Provincials, Fleetwood Mavericks winning Bronze in Women's B Provincials, Fleetwood Fusion winning Gold in Women's D and South Surrey White Rock Thunder (Werk) winning Silver in Women's C Provincials.

Fleetwood hosted the annual, Fraser Delta Women's Association playoffs, over two weekends and saw great games being played there.

### Goals within your District for 2024

We would like to build on the minors who age out to continue to play in the Women's and Men's divisions. Continue building our women's leagues including setting up a Women's Master League. We are looking forward to having Softball City host the Men's ISCs

### Events Attended on Behalf of Softball BC with General Comments and Observations

Attended several tournaments and provincials, not as SBBC rep, but as either a scorekeeper or participant. All were very successful and well organized.

### Highlights from within your District in 2023

We had new women's teams from Vancouver join SBBC and one of them won a medal in the C provincial. It was their first time attending a provincial championship. Another women's team also won a medal in the Intermediate A provincial. There are now several active mens teams in district 5, whereas in the past there were none.

### Goals within your District for 2024

To keep the number of teams for both men and women at least the same, if not to grow the numbers. To keep all of the women's and men's teams going into the future and to see a youth team move up to women's intact.

To the Members of British Columbia Amateur Softball Association:

## Report on the Audit of the Financial Statements

### Opinion

We have audited the financial statements of British Columbia Amateur Softball Association (the "Association"), which comprise the statement of financial position as at April 30, 2023, and the statements of operations, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Association as at April 30, 2023, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

### Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Association in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

#### **Report on Other Legal and Regulatory Requirements**

As required by the Society Act of British Columbia, we report that, in our opinion, these principles, as disclosed in Note 2, have been applied on a consistent basis with that of the previous year.

## Notes to the Financial Statements

For the year ended April 30, 2023

---

### 1. Incorporation and nature of the association

British Columbia Amateur Softball Association (the "Association") was incorporated on April 26, 1950 under the authority of the Society Act of British Columbia. The Association is registered as a not-for-profit organization and thus is exempt from income taxes under Section 149(1) of the Canadian Income Tax Act ("the Act"). In order to maintain its status as a registered not-for-profit organization under the Act, the Organization must meet certain requirements in the Act. In the opinion of management, the requirements have been met.

The purpose of the Association is to promote, govern and build the sport of softball throughout the Province of British Columbia.

### 2. Significant accounting policies

The financial statements have been prepared in accordance with Canadian accounting standards for Not-for-Profit organizations ("ASNPO") set out in Part III of the CPA Canada Handbook - Accounting, as issued by the Accounting Standards Board in Canada and include the following significant accounting policies:

#### **Inventory**

Inventory consists of coaching materials, prizing and rulebooks and is valued at the lower of cost and net realizable value. Cost is determined by the weighted average method. Net realizable value is the estimated selling price in the ordinary course of business.

#### **Capital assets**

Purchased capital assets are comprised of office and computer equipment and are recorded at cost. Contributed capital assets are recorded at fair value at the date of contribution if fair value can be reasonably determined. When fair value cannot be reasonably determined, capital assets have been recorded at nominal value.

Amortization is provided using the straight-line method. Leasehold improvements are amortized over the remaining life of the lease. Office equipment is amortized over five years, while computer equipment is amortized over three years.

#### **Revenue recognition**

The Association follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Endowment contributions are recognized as direct increases in net assets.

The Association recognizes registration fees, and program and clinic revenue, over the period of registration or program and clinic delivery. Registration fees paid in advance are recorded as unearned revenue and recognized as income over the registration term.

### 2. Significant accounting policies (Continued from previous page)

#### **Measurement uncertainty (Use of estimates)**

The preparation of financial statements in conformity with ASNPO requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues over expenses during the reporting period.

Accounts receivable are stated after evaluation as to their collectability and an appropriate allowance for doubtful accounts is provided where considered necessary. Provisions are made for slow moving and obsolete inventory. Amortization is based on the estimated useful lives of the capital assets.

These estimates and assumptions are reviewed periodically and, as adjustments become necessary they are reported in excess of revenues over expenses in the periods in which they become known.

#### **Long-lived assets**

Long-lived assets consist of capital assets. Long-lived assets held for use are measured and amortized as described in the applicable accounting policies.

When the Association determines that a long-lived asset no longer has any long-term service potential to the Association, the excess of its net carrying amount over any residual value is recognized as an expense in the statement of operations. Write-downs are not reversed.

#### **Contributed materials and services**

Contributions of services are recognized in the statement of operations when a fair value can be reasonably estimated and when the services are used in the normal course of the Association's operations and would otherwise have been purchased. If such contributions do not have a fair value that can be readily determined, the contributions are not recognized in the financial statements.

#### **Government assistance**

Government assistance relating to loans is recognized at the time of the grant date when a portion of the loan agreement is forgivable and the Association continues to meet certain requirements specified at the time when the loan agreement was granted.

Government assistance relating to subsidies is recorded as revenue in the period to which the subsidy applies once there is reasonable assurance that the Association will meet the eligibility criteria, the government support will be received and the amount to be received is measurable.

#### **Financial instruments**

The Association recognizes financial instruments when the Association becomes party to the contractual provisions of the financial instrument.

#### **Arm's length financial instruments**

Financial instruments originated/acquired or issued/assumed in an arm's length transaction ("arm's length financial instruments") are initially recorded at their fair value.

At initial recognition, the Association may irrevocably elect to subsequently measure any arm's length financial instrument at fair value. The Association has not made such an election during the year.

The Association subsequently measures financial assets and liabilities at amortized cost.

Transaction costs and financing fees directly attributable to the origination, acquisition, issuance or assumption of financial instruments subsequently measured at fair value are immediately recognized in excess (deficiency) of revenue over expenses. Conversely, transaction costs and financing fees are added to the carrying amount for those financial instruments subsequently measured at cost or amortized cost.

### 2. Significant accounting policies *(Continued from previous page)*

#### Financial asset impairment

The Association assesses impairment of all its financial assets measured at cost or amortized cost. The Association groups assets for impairment testing when there are numerous assets affected by the same factors. Management considers whether the issuer is having significant financial difficulty; whether there has been a breach in contract, such as a default or delinquency in interest or principal payments in determining whether objective evidence of impairment exists. When there is an indication of impairment, the Association determines whether it has resulted in a significant adverse change in the expected timing or amount of future cash flows during the year.

Any impairment, which is not considered temporary, is included in current year excess of revenue over expenses.

The Association reverses impairment losses on financial assets when there is a decrease in impairment and the decrease can be objectively related to an event occurring after the impairment loss was recognized. The amount of the reversal is recognized in excess (deficiency) of revenue over expenses in the year the reversal occurs.

### 3. Inventory

	<b>2023</b>	<b>2022</b>
Coaching materials	3,261	1,883
Prizes	17,104	17,943
Umpire materials	2,685	3,529
	<b>23,050</b>	<b>23,355</b>

The cost of inventories recognized as an expense and included in direct expenses amounted to \$33,382 (2022 – \$14,927).

### 4. Capital assets

		<b>2023</b>	<b>2022</b>
	<i>Cost</i>	<i>Accumulated amortization</i>	<i>Net book value</i>
Equipment	1,519	422	-
Office and computer equipment	29,730	21,779	10,596
Leasehold improvements	19,698	16,939	4,515
	<b>50,947</b>	<b>39,140</b>	<b>11,807</b>
			<b>15,111</b>

Amortization of \$8,242 (2022 - \$10,174) has been recognized as an expense and included in general and administrative expenses.

### 5. Restricted term deposit

The endowment contribution is subject to externally imposed restrictions to be maintained permanently. Investment income earned on the endowment fund is unrestricted. Management has invested the endowment funds in a cashable GIC term deposit. The term deposit earns interest at prime interest rate minus 2.45% and has a maturity date of April 3, 2024.

## Notes to the Financial Statements

*For the year ended April 30, 2023*

### 6. Deferred contributions and unearned revenue

Deferred contributions represent contributions from funding agencies that are externally restricted for the performance of services. Recognition of these amounts as revenue is deferred to periods when the specified expenditures are made.

Unearned revenue represents registration payments received in advance and are recognized into income over the registration term.

	<i>Deferred &amp; Unearned Revenue as at May 1, 2022</i>	<i>Current Year Funding Received</i>	<i>Current Year Revenue Recognized</i>	<b>2023</b>	<b>2022</b>
Province of British Columbia Grants	25,198	244,934	(260,625)	9,507	25,198
Unearned revenue	51,391	298,440	(278,848)	70,983	51,391
	<b>76,589</b>	<b>543,374</b>	<b>(539,473)</b>	<b>80,490</b>	<b>76,589</b>

### 7. Long-term debt

The Association received a \$60,000 loan under the Canada Emergency Business Account ("CEBA") program funded by the Government of Canada. The CEBA loan is non-interest bearing, can be repaid at any time without penalty and is valid until December 31, 2023. Up to 33.33% (maximum \$20,000) of the loan will be forgiven if repaid by December 31, 2023.

Government assistance received relating to acquiring the CEBA loan was recorded as described in the significant accounting policies note. The Association anticipates they will meet the loan forgiveness requirements.

### 8. Commitments

The Association has entered into various lease agreements with estimated minimum annual payments as follows:

2024	30,666
2025	21,066
2026	1,818
2027	1,288
	<b>54,838</b>

### 9. Credit facility

The Association has access to an operating loan to a maximum of \$200,000 (2022 - \$200,000), bearing interest at the financial institution's prime rate plus 2.05% and is due on demand. The bank loan is collateralized by the restricted term deposit as described in Note 5, and a general security agreement. As at April 30, 2023, the amount outstanding was \$Nil (2022 - Nil).

### 10. Remuneration

During the year, the Association had one employee that was paid more than \$75,000 (2022 - no employees). No directors received remuneration for their contribution to the governance or operations of the Association (2022 - no directors).

### 11. Financial instruments

The Association, as part of its operations, carries a number of financial instruments. It is management's opinion that the Association is not exposed to significant interest, currency, credit, liquidity or other price risks arising from these financial instruments except as otherwise disclosed.

#### **Interest rate risk**

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. Changes in market interest rates may have an effect on the cash flows associated with some financial assets and liabilities, known as cash flow risk, and on the fair value of other financial assets or liabilities, known as price risk. The Association is exposed to interest rate price risk on its bank indebtedness and bank loan.

#### **Liquidity risk**

Liquidity risk is the risk that the Association will encounter difficulty in meeting obligations associated with financial liabilities. The Association enters into transactions to purchase goods and services on credit and borrow funds from financial institutions, for which repayment is required at various maturity dates.

#### **Credit risk**

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The Association's main credit risk relates to its accounts receivable. The Association believes that there is minimal risk associated with the collection of these amounts. Accounts receivable are widely distributed and the Association performs regular credit assessments and provides allowances for potentially uncollectible accounts receivable.
