Softball BC Minor Advisory Council Motion for SORS

Date 07-28-2023

Submitted by Jason Ranchoux

District 9

Seconded by Teresa Allen

District 1

REFERENCE: (Article and Subsection) 9.1.2 - double base

WHEREAS: (Article as currently written) Minor Only: The offensive player must use the orange portion of the bag if a play is made at first base, and the defensive player must use the white portion. Exception: On a dropped third strike, the defensive and offensive players may use either portion of the base when a live ball is being made from foul ball territory.

Revision, Addition, Deletion, Amendment (choose one) Revision

BE IT RESOLVED THAT: Minor Only: The offensive player must use the orange portion of the bag if a play is made at first base, and the defensive player must use the white portion. Exception: On any live ball play from the first base side foul territory, the defensive and offensive players may use either portion of the base.

RATIONALE: This would bring it to align with Softball Canada wording on rule 5.6.a.ii (Double Base)

CONSEQUENCES FOR NON-COMPLIANCE:	If this is not passed and the proposed amendment to 8.1.6 is passed, the boys and girls rule on the Double Base would have different definitions.
OTHER RULES WHICH MAY BE AFFECTED (including definitions page):	8.1.6 Minor Girls Double Base
FINANCIAL IMPLICATIONS:	none
