Subject: Hosts for Provincial Championships

We have just been informed the host for the U17C Girls Provincials, Enderby Minor Fastpitch, has unfortunately had to step away from hosting this championship.

As well, we have been unsuccessful in finding a host for the U15C Girls Provincials

Currently, we do not have hosts for either the U15C Girls or the U17C Girls Provincial Championships. If we are not successful in finding new hosts for either or both events, we will have no choice but to cancel them for 2024.

Preferred dates are July 5-7, however alternate dates will be considered.

The Host application form can be found [here](#)

Host Guidelines can be found [here](#)

Please consider hosting one of these two championships for 2024.
