Subject: **Annual Fees Correction – U7 and U9**

Prior to the season start in 2024, the Softball BC Board of Directors approved an adjustment to the U7 and U9 player fees.

In lieu of team fees, U7 and U9 participants were to pay a player fee of \$33. The fee was correctly captured in the handbook but listed incorrectly by staff on the website and in RAMP which resulted in the invoices reflecting a \$23 fee. While the error did result in a loss of revenue, the Board confirmed during its most recent meeting that Softball BC would not retroactively invoice the members for the variance in fees.

We ask that all members take note the \$33 per participant fee for U7 and U9 players will be in effect as of the 2025 season.
